

## Secretary Of Navy May Succeed Kyes As Defense Deputy

By ELTON C. FAY

WASHINGTON (AP)—The name of Secretary of the Navy Robert Anderson rode high today in speculation on the administration's choice of a successor for Roger B. Kyes in the Defense Department's No. 2 job.

The White House and Pentagon announced over the weekend Kyes will leave a deputy secretaryship where he has served with Secretary of Defense Wilson since the outset of the Eisenhower administration.

### Announcement Tuesday

Kyes, interviewed at his home near Detroit, emphasized that his resignation "has absolutely nothing to do" with the recent clash between Secretary of the Army Robert T. Stevens and Sen. McCarthy (R-Wis.).

Pentagon sources indicated the decision on a new deputy secretary already was made and that announcement of his identity could

be expected shortly, perhaps by Tuesday.

Kyes and his former General Motors Corp. colleague, Wilson, both said the deputy secretary took the job with the understanding he would remain for only a year. The assumption here is that Kyes will return to some official position with GM. However, he said he was not sure he would return to the automobile business.

While Anderson's name was mentioned prominently in guesses today, it actually was only one of several names of men, both in and out of government, considered possibilities.

### Keeps Clear of Wrangles

Those who talked of Anderson, a Texas businessman and rancher, figured it this way:

Wilson reportedly wanted to turn to the service secretariat in picking a man for the second most important job in the huge military establishment, rather than disturb his "team" arrangement of assistant defense secretaries.

In seniority and precedence, the Army secretary normally would rate first. But while the White House and Pentagon have backed Stevens in the stormy row with McCarthy, they may feel they do not promote him to the deputy defense secretary post without risking repercussions.

Secretary of the Air Force Harold Talbot has been praised highly by Wilson for his reorganization of procurement programs and business administration—but on at least one occasion a comment attributed to him produced diplomatic ripples abroad.

Anderson, on the other hand, is described as having the same management sagacity as the other

# Japan And United States Sign Mutual Defense Pact

## Adlai Stevenson Shows He's In Field For 1956

By JACK BELL

MIAMI BEACH, Fla. (AP)—On the heels of Adlai E. Stevenson's criticism of President Eisenhower for failing to put the brakes on Sen. McCarthy (R-Wis.), two Democratic senators today agreed that economic issues should outweigh McCarthy's activities in the party's 1954 campaign strategy.

In a speech creating the general impression here he is actively in the field for the 1956 Democratic presidential nomination, Stevenson said Eisenhower could stop what the former Illinois governor called a campaign by McCarthy to "sow slander and dissension" across the nation.

### Fiscal Policies First

Although he said he agreed generally with that conclusion, Sen. Magnuson (D-Wash.) said he is not too sure of either the timing or the importance that Stevenson gave to McCarthy and his Communist-in-government charges. He was joined by Sen. Murray (D-Mont.).

"Come next fall, when control of Congress is decided at the polls, I think the fiscal policies the Republicans have put into effect are going to be the most important issue," Magnuson said in an interview.

Stevenson's charges in a speech

## Bridge At Straits, World's Largest, To Be Extra Safe

SAULT STE. MARIE, Mich. (AP)—Dr. David B. Steinman, designer of the Mackinac Bridge, has assured Michigan residents that the world's largest bridge will be safe and then some.

The multi-million dollar project which will link Michigan's lower and upper peninsulas by road travel presented construction problems to designers. Dr. Steinman said the problems had been solved in other bridge projects.

Speaking at a testimonial dinner Saturday, Dr. Steinman said the bridge would be the world's largest from anchorage to anchorage although the Golden Gate Bridge in San Francisco Bay has a longer span between bridge towers.

Dr. Steinman said the Straits of Mackinac never has winds over 78 miles per hour, which breaks down to a pressure of 20 pounds per square foot. However, the Mackinac Bridge will be built to stand 50 pound pressures.

Even ice pressure resistance has been increased five times over the highest record of ice pressure in the straits.

Also at the dinner were some 1,200 persons, including Gov. Williams and Prentiss M. Brown, chairman of the Mackinac Bridge Authority.

## Trainmen Strike On MC Thursday

DETROIT (AP)—The Brotherhood of Railroad Trainmen said Sunday night 2,000 of its members in Michigan, Illinois and Indiana will go on strike against the Michigan Central Railroad Thursday.

W. E. B. Chase, brotherhood vice president, said the strike, set for 5:30 a. m. (CST) will stop all Michigan Central operations. Michigan Central is a part of the New York Central railroad system.

The strike could affect 6,000 Michigan Central employees in Illinois and Indiana, union officials said.

Management spokesmen were unavailable for comment.

Chase said the strike was in protest over "a docket of cases" which would mean \$200,000 or \$300,000 to union members.

The brotherhood represents brakemen, switchmen and yard foremen and workers. Most of Michigan Central's conductors are members.

He said the Union has been negotiating continuously with Michigan Central since Oct. 16.

### Relief Rolls Mount

NEW YORK (AP)—Welfare Commissioner Henry L. McCarthy says New York City's relief rolls are growing at the rate of 1,000 persons, or 2 per cent, every week and "We are going through some kind of recession."

He said unemployment in the city now stands at 191,000. And 262,000 persons are on relief.

## Puerto Rico Police Round Up Reds And Rebellion Leaders

By JULIO RIVERA

SAN JUAN, Puerto Rico (AP)—Pushing its drive against political trouble makers, the Puerto Rican government today sought the "Big Four" of the island's Communist party and two Nationalist leaders still at large.

Sweeping police raids over the weekend netted 40 Nationalist party leaders and six Communists. All were jailed as possible subversives. The roundup was launched after last Monday's attack by Nationalists in the U.S. House of Representatives.

### No Gunfire

The Reds were captured without violence in a second round of arrests Sunday. This was in contrast to the gunfire and tear gas attack when Nationalist chief Pedro Albizu Campos and five of his aides were routed out of his apartment Saturday.

The four Communists being sought are Juan Santos Rivera, the party president, who reportedly had Moscow training; Juan Saez Corrales, a local labor union organizer; Cesar Andue Iglesias, former party president; and Pablo Garcia Rodriguez, a Harvard-graduated lawyer.

Atty. Gen. Jose Trias said both the alleged Communists and Nationalists, jailed on \$25,000 bail each, are being charged with violating a local anti-subversive law.

NEW BOSS IN SYRIA—Hashem al Atassi is Syria's new president, succeeding Gen. Adab Shishkely, who fled after an army revolt. Atassi was president in 1951, when General Shishkely seized power.

## New York Daily Strike Averted

NEW YORK (AP)—A possible new strike against major New York City newspapers was averted Sunday when AFL Photo-Engravers voted to accept a fact-finding board's decision.

By a vote of 209 to 76, the photo-engravers accepted a weekly package of \$3.75, including wage increases and other benefits. This was the same package that the publishers offered before the photo-engravers struck six of the city's major newspapers last November and December for 11 days during the Christmas shopping season.

The strike ended when the photo-engravers agreed to let a fact-finding panel decide whether they should get more than the \$3.75 package offered. The board's decision, announced last Tuesday, was not binding on either side and the photo-engravers could have struck again.

## Puerto Rico Police Round Up Reds And Rebellion Leaders

By JULIO RIVERA

SAN JUAN, Puerto Rico (AP)—Pushing its drive against political trouble makers, the Puerto Rican government today sought the "Big Four" of the island's Communist party and two Nationalist leaders still at large.

Sweeping police raids over the weekend netted 40 Nationalist party leaders and six Communists. All were jailed as possible subversives. The roundup was launched after last Monday's attack by Nationalists in the U.S. House of Representatives.

### No Gunfire

The Reds were captured without violence in a second round of arrests Sunday. This was in contrast to the gunfire and tear gas attack when Nationalist chief Pedro Albizu Campos and five of his aides were routed out of his apartment Saturday.

The four Communists being sought are Juan Santos Rivera, the party president, who reportedly had Moscow training; Juan Saez Corrales, a local labor union organizer; Cesar Andue Iglesias, former party president; and Pablo Garcia Rodriguez, a Harvard-graduated lawyer.

Atty. Gen. Jose Trias said both the alleged Communists and Nationalists, jailed on \$25,000 bail each, are being charged with violating a local anti-subversive law.

### Arms Aid Denied

Authorities believe the Puerto Rican Communist party has less than 100 members but fear that it is tied in with the Nationalist faction, which has several hundred followers. Both parties demand complete independence for Puerto Rico, and reportedly the Reds furnished some of the arms for the 1950 Nationalist revolt in which 50 persons were killed.

Communist leaders have denied arms aid to the rebels. They also issued a newspaper statement last week disclaiming any connection with the Washington shooting.

### Store Founder Dies

ENGLEWOOD, N. J. (AP)—Funeral services are scheduled Tuesday for John J. Newberry, 76, founder and board chairman of a national chain of variety stores.

Newberry died Saturday at his home after an extended illness.

The company bearing his name operates 475 stores in all but three states in the country.

Survivors include his widow, Alice; a son and daughter by his first wife, the late Myrtle Homer Newberry; a brother and three sisters.

## Nippon To Get Guns And Grain From America

By GEORGE MCARTHUR

TOKYO (AP)—Japan and the United States today signed a mutual defense pact to give the Japanese both guns and grain and hasten the day when American soldiers can withdraw from the island empire.

The mutual defense assistance agreement—actually a series of agreements—will pour 100 million dollars of American aid into Japan's economy in the next three months and probably amount to much more in the long run.

### Soldiers Coming Home

U. S. Ambassador John Allison said the agreement "takes us one step nearer the time when the United States can withdraw its forces from Japan."

Japanese Foreign Minister Katsumi Okazaki signed for his government.

The agreement will boost Japan's defense force from 120,000 to 160,000 men and hold it along more military lines. The United States will supply ships and planes.

The United States also will start the movement of 500,000 tons of surplus wheat and 100,000 tons of barley to Japan. And Japan will sell the grain domestically and in turn use the money for guns and munitions.

### Opposed By Socialists

The agreement was hammered out in eight months of negotiation which at times brought the Liberal government of Prime Minister Shigeru Yoshida under intense opposition criticism. Despite Socialist opposition, the government expects ratification by April 1.

Allison emphasized that the pact does not require Japan "to send its young men abroad." He quoted Secretary of State Dulles who said recently the agreement would be "purely of a defensive nature, directed exclusively toward contributing to the defense and security of the Japanese homeland."

However, neither does the agreement specify that Japan should not send troops wherever it saw fit. The agreement binding Japan to the Western democracies in the fight against communism provides for destroyers, tanks, jeeps, airplanes and other military needs. It also provides for a 700-man military advisory group to serve with the Japanese defense force.

Material given to the Japanese cannot be resold to other nations.

The agreement is almost identical with similar mutual defense pacts the United States has signed with many nations.

### Seven Agreements

Actually, Allison and Okazaki

(Please Turn To Page 6, Col. 8)

## Death Takes 5th Son Of Widow, 63

CLAY, W. Va. (AP)—A Clay County mother who drew the nation's sympathy when the fourth of her five soldier-sons died in service was killed last night in a highway accident near her home.

State police said Mrs. Florida A. Jones, 63, of nearby Hickmore, a widow, was struck by an automobile about 10 p. m. as she walked along State Route 16. She was dead when the ambulance reached Laird Memorial Hospital in Montgomery.

Only one of her five sons survives. He is Air Force Sgt. William L. Jones, who reportedly now is on recruiting duty in the Charleston area.

Three of her sons were killed during World War II.

Her youngest boy, Eugene, 25, crashed to his death in paratrooper training at Ft. Benning, Ga., in 1950.

Two days later, the nation acknowledged its gratitude in a letter from Louis A. Johnson, then secretary of defense, offering the discharge of her fifth son from the Air Force.

Her simple refusal was: "I am glad that I still have one son in the service of my country."

### Pope Improved

VATICAN CITY (AP)—Pope Pius' slow but steady recovery from a dangerous gastric ailment was reported continuing today. The sources said the 78-year-old pontiff is able to retain an increasing amount of solid food. He has been confined to his quarters for six weeks, most of the time in bed.

## Major Decisions Left For Windup By Legislature

LANSING (AP)—Michigan's Legislature starts the last month of its 1954 session tonight, with most of the major decisions still to be made.

Such issues as legalized bingo, the 1954-55 budget, unemployment compensation and controls over lobbyists still remain unsettled.

The Senate returns from a week-end recess at 7 p. m. to plunge into a docket of some 40 bills. The House reconvenes at 8 p. m. with a calendar of 70 measures facing it. There are no appropriation bills on the floor of either chamber yet.

### Bingo Vote Delayed

The Senate expects to vote tonight on a "semi-official" Republican unemployment compensation bill which would raise the benefits of idle workers with families \$4 a week.

The House will be considering a \$1,100 a year increase in legislators' pay.

The Senate Judiciary Committee has delayed action on a constitutional amendment to legalize charity bingo, arguing that it must push ordinary bills past their weekly deadlines first. But the chamber was torn between a desire to let the issue go to a popular vote and a belief the organized backers of the plan should put the measure on the ballot by the petition route.

### Wet-Dry Issue Hot

Old battle lines will be shattered in the Senate tonight if a vote is reached on a new lobbyist control bill. This one is backed by influential senators who helped defeat a previous bill.

Messenger boys were still hauling in telegrams for and against the McCune bill in the House to forbid televising beer and wine advertisements which glamorize drinking.

There were persistent reports the bill will be withdrawn in the face of a bitter wet-dry controversy.

## Adviser On Religious Policy Named For U. S. Propagandists

WASHINGTON (AP)—Dr. D. Elton Trueblood, a Quaker author and professor of philosophy, will advise U. S. propagandists on religious policy in the cold war of words.

Trueblood, 53 and now on the faculty of Earlham College, Richmond, Ind., was appointed Sunday to the new post of chief of religious policy for the U. S. Information Agency, which conducts overseas broadcasts and other programs.

He said in a statement the Communists were trying to convince the world they were the idealists and USA wants to reserve that situation because "it is we who have the permanent revolution, and the Biblical concept of the supreme value of the individual . . . is its foundation."

## Union Bus Drivers Walk Out In Saginaw

SAGINAW (AP)—AFL bus drivers and mechanics of the Saginaw City Lines went on strike today to support wage increase demands.

Buses made their last scheduled runs at 11:30 Sunday night. Observers reported only a nuisance value to the strike as car pools expanded. Heaviest hit were some 1,000 high school students who sought other transportation.

The company is a unit of the National City Lines, operators of transportation systems throughout the nation.

Saginaw employees sought a 35-cent hourly increase. A fact-finding group appointed by Gov. Williams recommended a 15-cent boost. The union agreed but the company offered six-cents. The offer was refused by the union.

### Weather

Reported by U. S. Weather Bureau

UPPER MICHIGAN: Cloudy tonight and Tuesday; occasional light snow late tonight or Tuesday; not quite so cold tonight.

ESCANABA AND VICINITY: Considerable cloudiness and slightly warmer tonight and Tuesday with occasional light snow likely late tonight or Tuesday; low to night 25°; high Tuesday near 40°.

Winds gradually becoming south to south west 8-15 mph tonight and increasing Tuesday.

## Morals Cleanup Man Of Movies, Will Hays Dies

SULLIVAN, Ind. (AP)—Will H. Hays, 74, who led a predepression cleanup of movie morals after uniting the Republican party behind President Harding, will be buried in his beloved home town Wednesday.

The man who served 24 years as so-called czar of the motion picture industry died in the quiet of his home here Sunday.

### Genius As Organizer

Once a Republican national chairman before he was 40, he kept an interest in politics till death, though a heart ailment had made him an invalid since October. Only in the last week did his condition become critical.

His wife Jessie and his only son, by a former marriage, Will H. Hays Jr. of Crawfordsville, Ind., were at his deathbed.

Through his years as a public figure in politics and the movie industry, he kept his home and law office in Sullivan and voted here.

His genius in reorganizing the Republican party in Indiana sent him up to the national chairman's job to reunite the party, still bearing the wounds of the Bull Moose split.

### Left Cabinet In 1922

His success brought a landslide victory for Harding in 1920, and Harding named him postmaster general.

Hays left the Cabinet job in 1922 to clean up the Hollywood film industry, then under a cloud of movie colony scandals. He served 24 years of the \$150,000-a-year president of the Motion Picture Producers & Distributors of America.

Though he retired from the Hollywood job to his law practice in 1945, the "Hays office" code of good taste in movies remained entrenched until recently, when signs of rebellion began to appear.

## Dulles Reviews Spread Of Reds

By BEN F. MEYER

CARACAS, Venezuela (AP)—John Foster Dulles opened the 10th Inter-American Conference's debate on communism today reading out to allegedly pro-Communist Guatemala the "established facts" about the international Communist movement.

Although the U. S. secretary of state emphasized that he was not accusing "any government or any individual of being either plotters or dupes of plotters," he referred pointedly to Guatemala.

Recalling that Guatemalan Foreign Minister Guillermo Toriello asked during last week's debate "what is international communism," Dulles said:

"I thought that by now every foreign minister of the world knew what international communism is. It is disturbing if the foreign affairs of one of our American republics are conducted by one so innocent that he has to ask that question."

### Voting In Finland

HELSINKI, Finland (AP)—Finland voted today to elect a Parliament they hope can pull the country out of its worsening economic situation. The voting started Sunday to fill 200 seats in the one-chamber Parliament.

## California Democrats Pick James Roosevelt To Run For Congress

LOS ANGELES (AP)—James Roosevelt, accused by his estranged wife of being a philanderer, has won the endorsement of the Democratic party as its candidate for Congress in the 26th District.

Prior to the endorsement by the 26th District Democratic Council, made by acclamation on the second ballot, the 46-year-old insurance executive said in a speech that he decided to enter the race to "obliterate" charges against him and "slurs against the ideals of my father."

The eldest son of the late President Franklin D. Roosevelt made no specific reference to his wife's sensational separate maintenance suit, but he did say Sunday night, "Personal questions are being used not only against me but against the Democratic party."

He added that the "questions" left him two choices, either to retire from public life, which he said would acknowledge "evidence of guilt and lack of courage," or:

"To come before the people and get elected to Congress and make a record which forever would be an answer to any smears the opposition would make."

In her suit, Mrs. Romelle Roosevelt, 38, named three co-respondents and filed a letter signed by Roosevelt and admitting infidelities with nine other women. He has denied all the charges, saying he was forced to sign the letter in 1945 to prevent his wife from divorcing him and thus adding to the burdens of his father as president.

Eleven candidates originally were in the running for the party's backing.

## Mexican Government Leaders Shot Down In Political Strife

CUERNAVACA, Mexico (AP)—Supporters of Gen. Miguel Henriquez Guzman shot and killed three government political leaders and critically wounded a policeman Sunday in a new outbreak of the continuing strife between the Henrriquez and the regime of President Adolfo Ruiz Cortines.

Witnesses said Ruben Jaramillo, former Henrriquez candidate for governor of Morelos state, led the attack by about 30 men on the town of Ticuman, southeast of Cuernavaca. They said he shouted it was to avenge the slaying of one of his lieutenants in a clash last week with troops in the area.

James Roosevelt

## Turkey Releases American Vessel

ISTANBUL, Turkey (AP)—The American freighter Volunteer State, held three days by Turkish authorities investigating a hit-run collision at sea, has been allowed to continue her voyage to Genoa.

Maritime officials said the 7,210-ton vessel was in the area where the small Turkish ship Yayla was struck last Tuesday by a large ship which did not stop. The Yayla sank and four Turkish seamen drowned.

The crew of the Volunteer State denied knowledge of any crashup. Her second mate, William Gilmore Clary, 33, of Baltimore, Md., remained in Istanbul. He was the ship's watch officer at the approximate time the Yayla was sunk and the Turks said his help was needed to complete the inquiry.

The U. S. consulate emphasized that he was neither under arrest nor charged with any violation.

### Food For 120,000

BERLIN (AP)—Distribution of American food to 120,000 needy, aged West Berliners began here today.

The International Rescue Committee, an American relief organization, and the German Federal government are sponsoring the operation.

## Indochina Reds Attack Airfield

HAIPHONG, Indochina (AP)—French military authorities enforced a state of emergency in this vital seaport today following a Vietminh commando raid on a nearby landing field where American air technicians service U.S.-supplied transport planes for the French war against the Communist-led rebels.

Reports circulated that the Vietminh had declared they planned to attack every area where American personnel work. The Vietminh radio recently accused the United States of intervening in the Indochinese war.

## Board Creates Norton Trust

The Escanaba Board of Education Saturday officially created the Anna C. Norton Scholarship Trust Fund, as provided in the will of the late John P. Norton, and members of the Board of Education accepted appointments as trustees of the scholarship fund.

Trust Fund officers, identical with officers of the Board of Education, are Claude Tobin Jr., president; Dr. Louis P. Groos, treasurer; and Dorothy Lindquist, secretary. Gust Peterson was appointed trust agent. The newspaper was assigned to the School Board Feb. 18.

The trustees Saturday heard reports from three of the bidders for the purchase of the Escanaba Daily Press and voted to meet Friday afternoon at 5:30 to hear a fourth bidder, Frank Russell Jr., of Marquette. Russell was unable to attend the meeting Saturday afternoon and asked for an extension at least until Wednesday. The trustees could not meet Wednesday, however, and set the time for the meeting with Russell on Friday.

The three bidders heard Saturday were Escanaba Daily Press, Inc., an employee group whose spokesman was Ken L. Gundersen, editor of the paper; John S. Fredericks, Muskegon attorney; and Claude E. Sadler and Tom A. Sadler, Royal Oak. A fifth bidder, Max Lavine of Superior, Wis., did not request to appear before the board.

Claude E. Sadler is night foreman in the print shop of the Royal Oak Tribune, and Tom A. Sadler, his son, is also employed in the print shop of the Royal Oak Tribune.

## Gradual Easing Of Winter Weather Is Being Noted Here

The gradual easing up of wintry temperatures will continue on into tomorrow, says S. E. Decker of the Escanaba weather bureau. Tonight's temperatures will be several degrees warmer than last night and above freezing weather will prevail most of the day. There will be some precipitation—either rain or snow.

Yesterday's calm sunshiny weather brought local thermometer readings up to 40 in Escanaba and even higher in surrounding countryside. Today's early morning recording was 19 which rose to 27 by 11.

Weather conditions similar to those here prevailed all over the Upper Peninsula with little variance in temperature.

Cool air over the north-central states yesterday dropped temperatures from 10 to 20 degrees from those of Saturday. International Falls, Minn., reported a low of zero during the night, however, the weather is moderating there to the same degree as here.

Unusual weather is being experienced in the southeastern part of the country where heavy frosts are reported in northern Florida and much of Georgia.

## Hospital

Mrs. Anthony Hemil, 1119 N. 18th St., is a surgical patient at St. Mary's Hospital in Rochester, Minn. Her condition is fair.

Pat McDonough, 218 N. 13th St., underwent surgery today at St. Francis Hospital. He had been a medical patient there for the past week.

About 23,000 people of the United States go blind each year.

## Against \$8,257,000 Loan:

# Gayeff Opposes Public Power Loan For Delta Area, Says Sen. Potter

Todd Gayeff, chairman of Escanaba's power advisory board, appointed by the City Council to make an "unbiased study of the power problem," has used his position in an attempt to stop an \$8,257,000 federal loan to provide additional electric power for the Delta County area.

This was revealed today by U. S. Senator Charles E. Potter of Michigan in a telegram in response to an inquiry by the Escanaba Daily Press.

"Todd Gayeff visited with me when I was speaking in Green Bay Feb. 11, and assumedly speaking in his capacity as chairman of the city of Escanaba's power advisory board emphasized there was no power shortage in the area which would be alleviated by completion of the proposed Alger-Delta Cooperative generating plant," Sen. Potter said.

### Potter Not Convinced

"He requested I use my influence to stop the \$8,257,000 loan to Alger-Delta Cooperative.

"I stressed to him that I had been strongly under the impression a critical power shortage has existed in your area over the years, that I had not received expressions of objection to the REA loan from city officials, civic organizations, Chambers of Commerce or others speaking in the public interest and that until such widespread representations were received on behalf of the public to be served, I would not consider the action he requested."

Gayeff's opposition to public power was known to the community prior to his appointment by the City Council to the city's advisory board. His position was made known in talks on the electric power problem to Escanaba service clubs.

### Nine-Member Board

On Nov. 5, 1953, the City Council named five citizens to the power advisory board, with Gayeff announced as chairman of the board. The board was to make "recommendations" on solution of the power shortage problem.

## Mrs. P. A. Nault, Wilson, Dead

A well known resident of Wilson, Mrs. Philip A. Nault, 61, died Sunday at the home of her stepdaughter, Mrs. Leno St. Juliana of Iron Mountain. She had been in poor health the past year.

The body was taken to the Boyle Funeral Home at Bark River where friends may call beginning at 10 a. m., CST, Tuesday. Services will be held at St. Francis Xavier Church at Spalding at 9 a. m., CST, Wednesday and burial will be in Spalding Cemetery. Father Walter J. Franczek will offer the requiem high mass. The parish rosary will be recited at the funeral home at 8 p. m., CST, Tuesday.

Mrs. Nault was born in Byron, S. D., March 2, 1893 and her marriage to Mr. Nault took place at St. Francis Xavier Church in Spalding April 21, 1938.

She is survived by her husband and the following stepchildren: Mrs. Harry Borman, Escanaba; Mrs. St. Juliana, Mrs. Irving Scott, of Chicago; Mrs. James Wade, Brunswick, Maine; Mrs. William Shanke, Milwaukee; Mrs. Norman Shinko, Chicago; Donald Nault, Iron Mountain; Willard, Detroit; James, Escanaba; Leonard, Detroit; Wallace, Milwaukee; and Philip Jr., Cleveland. She also leaves two brothers, Clarence Lowe and Wilbert Lowe, Byron, S. D.

### board sessions.

### Four Study Phases

Letters were addressed by the Council to the advisory board members notifying them of their appointment "to assure a comprehensive and unbiased study of the power problem."

The Council requested its advisory board to study the problem in the following phases:

1. The proposal of the Alger-Delta Electric Cooperative Association to have Escanaba enter into a 10-year power contract, with power to be supplied from a 15,000 KW generating plant financed by the Rural Electrification Administration's \$8,257,000 loan.

2. The feasibility of the city of Escanaba building its own power plant.

3. Obtaining a private power source.

4. The possibility of retaining Upper Michigan Light & Power Company as a power source.

### Power Loan Announced

Escanaba City Council sought a study and report on the first phase of the program because of the power contract offered by Alger-Delta Electric Cooperative.

On Jan. 9, 1954, U. S. Senators Homer Ferguson and Potter announced the REA in Washington, D. C., had approved a loan of \$8,257,000 to the Alger-Delta Cooperative to construct the proposed generating plant and extend transmission lines in the Delta County area.

Under the terms of the contract offered the Escanaba City Council by Alger-Delta, the city would receive "surplus" power for 10 years. This proposal is still apparently under study by the city power advisory board, since no report on that phase has been filed with the Council.

### Met At Green Bay

Tonight the City Council and the power advisory board is scheduled to meet in Chamber of Commerce offices, a joint meeting at which Council expects to receive a progress report on the board's studies.

Todd Gayeff, advisory board chairman, met Sen. Potter at Green Bay when the latter spoke there at a Lincoln Day dinner. The meeting between the two was not by appointment.

Comprising the power advisory board are the following:

Chairman Gayeff, Robert Losse, Erwin F. Zuehlke, Hugh Grow, Edwin Kositzky, Fred Fisher, Henry Wylie, Bruce Brackett and Andrew Skaug.

## Briefly Told

**Motorists Ticketed** — Escanaba police have issued traffic violation tickets to the following motorists: Otto Drossart, Gladstone Rte. 1, disobeying stop sign; Joseph F. Boyer, 322 N. 11th St., defective tail light; Arthur Erickson, 1410 1st Ave. S., defective head light.

**Band Boosters** — A regular meeting of the Band Boosters will be held Tuesday in the William W. Oliver Auditorium immediately following the recital which will be given by band members, who will be playing in the solo and ensemble festival at Marquette.

**Load Limit On** — The State Highway Department announced today that weight restrictions will be applied on all gravel and black-top state trunklines in the Lower Peninsula effective 6 a. m., Tuesday, March 9. Normal load limits are still permitted on U. P. trunklines.

**Goes To Jail** — Roy Farley of Garden, ordered on Jan. 16 by Justice Henry Ranguette to pay a fine of \$50 and costs or serve 30 days in jail for carrying a rifle at night in a game area, failed to pay the fine and is now serving the 30 days in Delta County jail. Farley was arrested by officers of the Conservation Department.

**Attend Dinner** — Escanaba and Gladstone persons attending the Saturday night dinner at Sault Ste. Marie, honoring notables connected with the Straits of Mackinac Bridge project, included: Mr. and Mrs. Robert E. LeMire, Mr. and Mrs. H. J. Norton and Mr. and Mrs. Lee Zimmerman of Escanaba; and Mr. and Mrs. Charles Burton and Myron O. Goodman of Gladstone.

## Escanaba Druggists Attend U. P. Meeting

Six Escanaba druggists attended an annual mid-season business meeting of Upper Peninsula druggists at Ishpeming Sunday afternoon.

Those attending were William J. Bisdee, John Gauffin, Earl Brown, Stanley Ostman, Leslie W. Olson and Bob Cramer.

## NOTICE BARK RIVER TOWNSHIP BOARD OF REVIEW

will meet at the Bark River Community Building on March 8th and 9th from 9 A. M. until 12 noon and from 1 to 4 P. M.

**Edwin Bergman**  
Supervisor

**WILLIAM J. STAPLETON, M.D.** (above), 77-year-old family doctor who has served Detroit since 1900, will be honored Tuesday as "Michigan's Foremost Family Physician" of the year in ceremonies at the Michigan Clinical Institute in Detroit. He is the first metropolitan doctor to be selected for this honor. Dr. Stapleton, former associate dean of Wayne University College of Medicine, made his early house calls via bicycle. He is still in active practice.

## Obituary

### STEPHEN MURRAY

Funeral services for Stephen Murray, who died Friday, were held today at 9 a. m. at St. Joseph's Church with Rev. Stephen Schneider, O.F.M., officiating. Burial was made in Holy Cross Cemetery.

Pallbearers were Anthony Roeser, Philip Perron, John Shanahan, Peter Newton, Earl Murray and Frank Ryan.

Out-of-town people attending the services were Mr. and Mrs. Frank Murray and Mrs. Clarence Sheedio, Masonville, and Mrs. Arthur Murray, Iron Mountain.

More people get more news from newspapers than from all other sources combined.

## Free Book on Arthritis And Kneumatism HOW TO AVOID Crippling DEFORMITIES

An amazing newly enlarged 44-page book entitled "Rheumatism" will be sent free to anyone who will write for it.

It reveals why drugs and medicines give only temporary relief and fail to remove the causes of the trouble; explains a specialized non-surgical, non-medical treatment which has proven successful for the past 35 years.

You incur no obligation in sending for this instructive book. It may be the means of saving you years of untold misery. Write today to The Ball Clinic, Dept. 1607, Excelsior Springs, Missouri.

## Felix Poquette, Spalding, Dies

Felix Poquette, a resident of the Spalding community over 50 years, died at St. Mary's Hospital in Racine, Wis., Friday night. He had been a patient there the past five months.

Mr. Poquette, who was a woods worker, was born in Canada, June 8, 1881, and came to this country when he was 4 with his parents who first settled in Nadeau.

He was a member of St. Francis Xavier Church and of the Holy Name Society. His wife died 9 years ago.

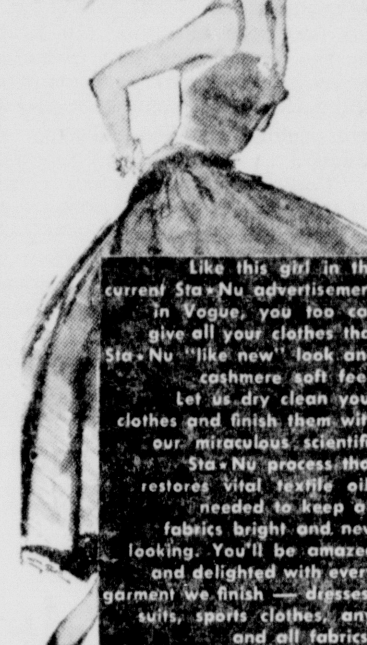

Surviving are four daughters and four sons, Mrs. William Arnold of Hermansville; Mrs. Stanley McNis, Schaffer; Mrs. Julius Brunelle, Menominee; Mrs. Frank Marra, Ishpeming; Arthur, Fred and Delphis Poquette of Hermansville and Leonard of Racine; two sisters, Mrs. August Murray of LaBranche and Mrs. Dena Gunville, Iron Mountain; and three brothers, Eldad, Racine, Joseph of Little Lake and Theodore of Iron Mountain.

Funeral services will be held at 9 a. m., CST Tuesday at St. Francis Xavier Church with Father Walter J. Franczek officiating. Burial will be in Spalding Cemetery. The body is at the Boyle Funeral Home in Bark River where the parish rosary will be recited at 8 CST this evening.

## Garden Plans Smelt Festival

The Garden Club will sponsor a smelt jamboree on Saturday, April, 24, in the Garden peninsula. The program will be complete with a queen contest, parade, games, sports, band concerts, smelt feed and dance.

The queen contest is now under way. The queen will be determined upon the basis of the number of tickets sold for the smelt feed and dance. Each purchaser will be entitled to one vote for a queen candidate.

Proceeds from the sale will be used to purchase gifts for the queen and court and for other festival awards.

The smelt running season is expected to be in full swing by the time of the jamboree.

A bountiful commercial smelt harvest is now well in progress. The Griffin Fisheries employed 30 women for smelt processing at the fairgrounds and expects to reach an employment total of about 125.

The Schultz Fish Company in Escanaba now has 40 women employed in fish processing.

## Dickinson County Farm Leader Dies At Crystal Falls

IRON MOUNTAIN—George E. Nygard, 63, of Metropolitan, well-known Dickinson county farm leader, died at 6 p. m. Friday at Crystal Falls Municipal Hospital, where he had been a patient for the past week.

Mr. Nygard served for many years as chairman of numerous farm organizations until ill health forced him to resign most positions about a year ago.

At the time of his death, he was farmer-elected chairman of the Dickinson County Agricultural Stabilization and Conservation Committee, a government agency originally called AAA, and the Production and Marketing Administration. He served continuously in this capacity for 17 years.

Among the organizations which he helped organize and served as a director for many years are the Felch Coop Dairy Association and the Norway Canning Association. He was also a director of the U. P. Farmers' Mutual Fire Insurance company.

Born Jan. 3, 1891 in Ganlakarby, Finland, he came to this country in 1907. He was employed in Duluth, Minn., and worked in lumber camps in Minnesota and Dickinson county before settling at Metropolitan, where he started farming in 1922 on the site of his present farm on Star Route 1.

He was married in 1918 to Mary Blomquist, daughter of the late Mr. and Mrs. John E. Blomquist. In addition to his wife, he leaves a brother, Otto, of Kasko, Finland. A niece, Mrs. William Willman, resides in Kingsford.

The body is at the Freeman Funeral home where it may be viewed starting at 4 o'clock Sunday afternoon. Services will be held at 2 Tuesday afternoon at Zion Lutheran church, Metropolitan. Burial will be in the Felch cemetery.

## Zwemer To Address Ford River Lions

"Speeding Speech", a talk on how long-distance telephone calls are flashed across the country by the Bell System will be given at this evening's meeting of the Ford River Lions Club.

Guest speaker will be Roy D. Zwemer of the Michigan Bell Telephone Company.

Zwemer will discuss how long-distance telephone service has been speeded by the Bell System through new switching equipment which allows operators in many distant cities to call direct to telephones in other cities.

## U. P. Audio-Visual Confab April 2-3 At Marquette

MARQUETTE—Newest approved methods for instructing in audio-visual education will be outlined at a conference of U. P. school teachers and administrators to be held Friday and Saturday, April 2-3, at Northern Michigan College in Marquette.

The conference is jointly sponsored by Northern Michigan College and the University of Michigan Extension Service. Consultants at the conference will be Professor Heige Hansen from the University of Minnesota, Prof. Ford Lemler from the University of Michigan, and Prof. Charles Schuller from Michigan State College. Other consultants will be announced later.

Features of the program will be demonstrations of methods and equipment in audio-visual education, an exhibit of library materials by Michigan State Library, and a commercial exhibit. Recent

film releases by educational film companies will also be shown. The chairman of the committee in charge of arrangements is Professor Roy McCollom of Northern Michigan College.

### Congratulations To Girl Scouts For 42 Years Of Public Service

This is Girl Scout Week, March 7-13. It is a fitting time to call the public's attention to an organization devoted to the training of young womanhood. The Girl Scout movement is a vital force in better citizenship.

Like its counterpart, the Boy Scouts of America, the Girl Scouts emphasize character training, the education of girls in arts and skills. It provides a wholesome outlet for youthful energy.

The Girl Scout program is a comparatively inexpensive program in comparison with the vast amount of public good that it accomplishes. Most of the leadership is provided without cost through the volunteer services of public spirited women.

The anniversary of Girl Scouts in this country is March 12 and this year's anniversary is the 42nd.

The theme of the observance is "Know Your Neighbors—Know Your Nation". It typifies the type of public service that Girl Scouts provide.

We are happy indeed to call the public's attention to this great American organization and to extend our congratulations to the Girl Scouts on the occasion of their anniversary of 42 years of service to the nation.

## Words, Wit & Wisdom

By William Morris

From a Utica, N. Y., reader comes an inquiry which, I suspect, has plagued the mothers of any number of TV-conscious tots: "What," she asks, "is the origin of the phrase 'peanut gallery'?" Every night my three-year-old hears the audience on the HOWDY DOODY program referred to as the "peanut gallery" but since the youngsters don't seem to be eating any peanuts, she can't understand why. Can you help me out on this?

Well, I'm not sure we can make this clear to a three-year-old but we'll certainly give it a try. Back in the 90's—and perhaps earlier—it was the custom of vaudeville audiences to eat peanuts during performances, just as today's movie-goers munch away on popcorn. Theaters in those days consisted of orchestra balcony and gallery, sometimes called "second balcony."

The "gallery gods"—so-called because their seats were nearest the ceiling, which often was decorated with allegorical paintings of the heavens—were a raffish, undisciplined crew given to direct action when they wanted to express displeasure at the entertainment. The most direct method, of course, was to rain peanut shells and, on occasion, pennies down on the heads of the hapless performers.

Thus developed the practice of "playing to the galleries"—or making an appeal to the least critical element in the audience—since success and, occasionally, physical well-being depended on satisfying these denizens of the peanut gallery.

All this, of course, has little to do with the use of the phrase on the HOWDY DOODY program. I suspect it was adopted, not with any thought to the earlier meaning of the phrase, but because the word "peanut" like "pee-wee" if often colloquially used to mean any small child. Thus, in this show's usage, "peanut gallery" would merely mean a gallery for small children.

My own six-year-old daughter contributes the somewhat alarming intelligence that, when this program moved to the West Coast recently the children's section of the audience was renamed the "coconut gallery." Something tells me I'm making a great mistake becoming involved in the semantics of six-year-olds!

## Questions and Answers

Q—I know that the courts won't accept evidence obtained through wire-tapping, but what about evidence gathered from intercepted letters or telegrams?

A—Section 605 of the Federal Communications Act (1934) states: "No person, not being authorized by the sender, shall intercept any communication . . . and divulge (it) . . . to any person." Violators are subject to two years' imprisonment or a \$10,000 fine or both.

## The Doctor Says . . .

### Seborrhea Is Condition Which Resists Treatment

By EDWIN P. JORDAN, M. D. — Written for NEA Service

In response to several inquiries this column is devoted to a discussion of a condition known as seborrhea or seborrheic dermatitis. This is one of several possible causes for falling hair, but while common it remains a difficult subject to discuss because its causes are not entirely clear, and its cure is often difficult.

Seborrhea is often considered to be of two varieties, one, dry seborrhea, or dandruff, and the other, oily seborrhea. Both of these conditions are more common in the scalp than elsewhere, but may extend down to the eyebrows, face, and even other parts of the body.

In oily seborrhea, the hair and scalp feel greasy and are hard to keep clean because dirt floating in the air sticks and the hair follicles tend to clog up with oil and tiny scales of skin, dirt and the like. This certainly does not make for healthy scalp or hair.

Sometimes a true inflammation of the skin follows or accompanies seborrhea, and then the condition is called dermatitis, and thus can be painful as well as annoying.

What is responsible for either form of seborrhea is hard to say. No living parasite or germ has been identified, though there are reasons to believe that some kind of infection may be at least partially at fault.

## 'What's Doing In Escanaba?'

LAST week the City of Escanaba distributed in a regular issue of the Escanaba Daily Press a pink-colored eight-page tabloid section "What's Doing In Escanaba", the annual report of city government.

This was the first time that the City of Escanaba had distributed its annual report in this manner. In past years the report was produced in book form and copies made available to citizens upon request. Some copies were distributed through local service clubs. In general, however, the report failed to reach any substantial number of citizens.

This year virtually every family in Escanaba had a copy of this report delivered right to the home through the medium of the Escanaba Press. As a result, the Escanaba citizenry is much more familiar with the activities of its municipal government than ever before. The report was received with general interest throughout the community, as well it should.

City government is big business in Escanaba. And it is your business. You are the stockholders of this big corporation, one of the busiest industries in the community. You should know how your business is being handled and the progress of community affairs. The tabloid section provided you with all of the answers. We trust that you have saved your copy for future reference.

## Other Editorial Comments

### VICTORY (Attonblad, Stockholm)

Those Europeans whose watches were "liberated" by the victorious Red army troops in Eastern Germany, Austria, Czechoslovakia, et al. during World War II now have the satisfaction that the loss of their timepieces was not entirely in vain: Not only did the Russian military personnel thus rediscover a luxury that had largely disappeared from the land of the steppes with the passing of the last czar, but a rich new market for watches was thereby created among the Russian population.

The recently negotiated trade treaty between France and the Soviet Union calls for the sale of an important consignment of watches to the USSR. Nor are the French-made timepieces to be of the Mickey Mouse variety—which in the hectic days of 1945 and 1946 the Red army personnel seemed to prefer to the best Swiss brands. Soviet Russia now purchases quality watches, paying for them in gold.

On the other hand, the government-owned watch factory in Moscow is being expanded and its yearly output will be stepped up to 75,000 pocket watches of an improved type called "pobeda," meaning "victory."

However, seborrhea of either kind commonly starts after the general health has been lowered by such things as infection or fatigue. Anemia, constipation, indigestion, lack of fresh air and exercise, and the wearing of stiff and ill-ventilated hats are also claimed to contribute to the development of seborrhea.

No easy or quick cure for seborrhea is available. If some chronic, weakening disease is present, it should, of course, be treated. Also, such conditions as anemia or constipation should be taken care of.

**CLEAN HAIR IS ESSENTIAL.**  
The local treatment of seborrhea involves first the removal of the crusts and accumulated fatty material and later the use of stimulating applications. The removal of the crusts and debris at first may be accompanied by the loss of a good deal of hair. The fatty accumulations are first soaked with some carefully chosen lotion to aid in removal. This is followed by thorough and frequent shampooing, again selected with care.

Many chemical preparations have been used in the form of ointments or lotions after the removal of the scales. The condition resists treatment and tends to come back unless treatment is continued for weeks or months after the skin appears to be normal.

## Merry-Go-Round

By DREW PEARSON

(Ed. Note—Drew Pearson today continues his report on the difficulties between Pres. Eisenhower and Sen. McCarthy.)

WASHINGTON—Not since Dwight Eisenhower entered the White House has there been such pulling and hauling by opposing groups of advisers as over Joe McCarthy last week. The result was an original draft of a strongly worded anti-McCarthy statement which never saw the light of day; then the modified gentle rebuke which was published.

The pro-McCarthy group inside the White House included General "Slick" Persons, the President's long-time military friend, Jack Martin, former assistant to Senator Taft; and Gerald Morgan, who with his partner once got \$10,000 a month for lobbying against high taxes and for the pipeline companies. Vice President Nixon also lined up in favor of appeasing McCarthy.

This group has told the President that McCarthy isn't so bad, that the bad man in the McCarthy entourage is Roy Cohn; that senators are demanding that McCarthy get rid of him.

The anti-McCarthy group inside the White House includes Bob Cutler, the Boston banker; Max Rabb; Bernard Shanley White House counsel; C. D. Jackson, publisher of Fortune magazine; and Sherman Adams, chief assistant to the President. Jim Hagerty remains more or less neutral.

Though the anti-McCarthy group inside the White House has been stronger, two groups outside the White House also have carried great weight with the sometimes hesitating President.

One is the Republican National Committee together with right-wing, isolationist senators who have been constantly warning like that Joe McCarthy is necessary for them to win an election. With him and the Communist issue, they argue, the GOP can capture the Irish Catholic vote and swing such key states as Illinois to the Republican column next November.

### NEWSPAPER CRITICISM

The opposing McCarthy group outside the White House includes some of the most influential newspapers in the country, most of them pro-Eisenhower. They swung a tremendous bloc of independent votes for Ike in 1952, and their support or defection would probably spell the difference between a large bloc of independent votes today.

These papers include the New York Times, New York Herald Tribune, Washington Post, the Knight newspapers, and others, all having urged the President to take a strong stand and stop appeasing McCarthy.

Mr. Eisenhower long sensitive to newspaper comment, has been frankly perturbed by this steady drumfire of editorial criticism from his hitherto staunch supporters. These were the papers McCarthy apparently referred to when he talked about left-wing publications which favored fifth amendment Communists. Yet they are among the most important in the nation, and it was quite understandable that Eisenhower should have been concerned.

It was newspaper reaction which finally convinced the President early last week to take a firm stand against McCarthy. And on Monday two days in advance of his Wednesday press conference, he gave orders to have a strong statement prepared. This press-conference statements about two days in advance, and in this case the statement was drafted under the supervision of Sherman Adams.

However, news of the impending announcement leaked. Reportedly it leaked through General Persons. "Ike is fighting mad," Persons told newsmen. "McCarthy has gone too far, and if he makes one more move Ike will let him have it."

Hearing of this, McCarthy did what he has frequently done before—he ducked a showdown. On Tuesday night, one day before the much-publicized Eisenhower press conference, McCarthy issued a conciliatory statement of his own. There should be an end to the controversy over General Zwicker, he said and suiting action to words, he postponed a scheduled hearing of more army witnesses.

### HALL'S SOFT SALESMANSHIP

This may have had some influence on President Eisenhower. What influenced him much more, however, was a call from Republican national chairman Len Hall who had heard of the tough White House blast against McCarthy, and called to urge the President not to make it.

A barber says combing the hair pompadour leads to baldness. When once your hair has gone away, you cannot comb it back.

March probably will come in like a lion again this year—and we hope it promptly takes it on the lam.

Now comes the time when income tax reports will be a matter of subtraction, addition, multiplication, division and mistakes.

Too much time is wasted on people who are hard to please.

A redcap in Chicago retired to a farm after 17 years' service. Now he'll carry his own burdens.

## Into The Past

### 10 YEARS AGO

Escanaba—Snowplows were called out for the first time in many weeks to clear the streets of an unusually heavy fall of snow.

Gladstone—Gladstone Rotarians made an inspection of the school's Home Making Department, a new feature at the school this year.

Manistique—More than a half ton of tin cans and 7,555 pounds of paper were collected here in the recent scrap drive.

### 20 YEARS AGO

Escanaba—The Escanaba city airport will open shortly. The cost of the entire 160-acre site is less than \$7,000.

Escanaba—Construction of the city garage on First Avenue N. and remodeling of the city hall under CWA program are being considered to provide work and make much needed improvements.

## "Remember Now, Uncle, No Munich Prices, Please!"

## Violence In Two Hemispheres Traced Back To Communists

By LEON DENNEN

By NEA Staff Correspondent  
PARIS — (NEA) — It is now clear that the political upsets in Egypt and Syria came as no surprise to top French Reds.

Paris has long been known to harbor the secret headquarters of the Cominform's eastern bureau. Chief task of that bureau is to promote and direct upheavals in the Arab world.

A month before the temporary overthrow of Gen. Mohammed Naguib there were persistent rumors in French Cominform circles that "a plot was brewing" against Egypt's president.

Two weeks before Naguib was deposed, on Feb. 11, the special correspondent of the pro-Communist L'Observateur de Paris was able to report from Cairo:

"There are rumors in Egypt that Gamal Nasser will soon be the chief of government."

Li. Col. Gamal Abdel Nasser, who first deposed Naguib and then had to restore him to the presidency, is fanatically anti-British and a rabid nationalist. He is probably not a conscious Communist.

However, at least one of the young officers in Nasser's 11-man junta, 32-year-old Khaled Mahieddin, is said to be strongly in favor of a pro-Soviet orientation. Mahieddin is known to have worked closely with A. Chikov, Moscow's master mind in the Middle East. Officially Chikov is first secretary of the Soviet embassy in Egypt.

Reliable indications are that the Russians themselves acted to restore Naguib to the presidency when the great upsurge of popular feeling showed them the Arabic "handwriting" on the pyramid "wall."

Evidently they decided Naguib has not outlived his potential usefulness as an Egyptian Kereny and so he gets a Red-endorsed lease on the presidency. (Premier Alexander Kerensky's inability to cope with the Russian Bolsheviks in 1917 paved the way for Lenin's seizure of power.)

Some diplomats believe that Nasser took the bit in his own teeth and tried to throw out Naguib prematurely — and without full approval from the pro-Soviet element in his junta.

Reports that Mahieddin interceded to restore Naguib, with Nasser assuming the premiership, would seem to indicate that the Russians tried to undo the harm done by Nasser's rash move.

Naguib's relatively mild brand of nationalism is a thorn in Britain's side and even if he should advocate a settlement of the Suez issue with Britain, Nasser, as premier, would be in a position to block it. In this Nasser and the Kremlin see eye to eye: as long as Britain has 80,000 troops guarding the Suez canal Russia cannot transform Egypt into a Middle Eastern China.

By BRUCE BLOSSAT  
By NEA Staff Correspondent  
NEW YORK — (NEA) — A leading Puerto Rican says the island's immediate need is not independence but thousands of additional jobs.

This was the view expressed in an NEA Service interview with Teodoro Moscoso, head of Puerto Rico's Economic Development Administration, who said the Nationalists whose gunmen shot down five Congressmen are only a "fanatical club" and that 82 per cent of the people are against independence at this time.

Moscoso added that while proof is difficult, the signs strongly suggest Communist inspiration for the Nationalists' acts of violence against public figures in the United States.

He said that Pedro Albizu Campos, aging leader of the Nationalist group, has for some time been the symbol of rebellion for all Latin American Communism. It was in hope of preventing his martyrdom that Gov. Luis Munoz Marin pardoned Albizu last fall, releasing him from a long prison term meted out for his part in a 1950 uprising.

"There is no doubt in my mind the incident in Congress was designed to coincide with the Latin American meeting at Caracas," said Moscoso. "The Nationalists wanted to embarrass the United States."

PUERTO RICO'S Gov. Luis Munoz Marin pardoned a Red in hope of preventing martyrdom.

States. And that, of course, could fit very well with Communist plans, which are to embarrass America wherever they can."

Moscoso pointed out that the Nationalists have a representation of about 500 in Puerto Rico and perhaps 200 in the U.S. He declined to acknowledge them as a "political party," describing them instead as members of a "fanatical club."

The Puerto Rican contrasted these numbers with those of regular parties in the island: 400,000 Popular Democrats, 125,000 Independents, 80,000 in the Statehood party.

Puerto Rico's present status is that of a largely self-governing commonwealth in close association with the United States. In January, the island's own House and Senate rejected full independence, which President Eisenhower has offered. Moscoso said 82 per cent of the people, far more than the share represented by the ruling Popular Democrats, support this position.

The governor also has rejected the idea of statehood for Puerto Rico, saying it would cost the island a "great deal of its freedom." But neither he nor his party has declared against independence as a long-range goal. The feeling now is that the island is just not ready for full freedom. Moscoso's work in economic development is in the forefront of efforts to fit Puerto Rico for independence. This program is designed to draw new industry and commerce to the island to create

new jobs, balance the island's one-sided sugar economy, and stabilize its population at decent economic levels.

As part of this plan, Moscoso said the Puerto Rican government hopes to halt the great postwar emigration of Puerto Ricans to the United States—chiefly to New York, where some 450,000 now are crammed into Manhattan slums. (This was the breeding place of the shooting plot on Congress.)

"If we can make the necessary jobs, we cannot only stop this migration, but reverse it," Moscoso added. "Practically all Puerto Ricans who are asked say they would return home if they could find work."

"In the past five or six years, our program has created about 56,000 jobs, either directly or indirectly. But we still have 100,000 unemployed. We hope by 1960 at the latest to create another 80,000 to 90,000 jobs."

Moscoso said the recent economic betterment in Puerto Rico had brought a drop in both birth and death rates, with the result that the 2,200,000 population had held fairly steady for three years. The aim is to keep it that way.

"I only hope that this shooting will not somehow cause a delay," he said. "We must count on the sense of fair play of the American people to have them realize that this incident is the work of insane fanatics."

"We Puerto Ricans are astounded and ashamed at this horrible thing. It makes one feel so helpless."

Moscoso indicated he did not use the term "insane" loosely. He said a panel of doctors officially declared the aged Albizu a schizophrenic (another reason he could not be held in jail).

The Nationalist leader was imprisoned in 1950, along with other Nationalists, after the uprising coincident with the assassination attempt in Washington on former President Truman. Moscoso said he presumes similar arrests and jailings will follow this new episode of violence.

## So They Say

Our diplomats ought to be far-sighted enough by this time to know that alcohol has less place in the atomic than the gasoline age.—Mrs. Glenn Hays, WCTU president, warns Secretary Dulles against drinking cocktails with Russians.

Men don't appeal to me but I can work with them. I can work with any guy on a job and do as much work as he can.—Violet Bradshaw, who masqueraded 35 years as a man.

If you're poor, you're poor. I was thinking of the future. I get tired of seeing my kids hungry.—William Giles, held in government theft.

The future of China will have to be decided by ourselves after all. Freedom will have to be bought by our own lives and national recovery achieved with our own blood.—Chiang Kai-shek.

We said we wanted to cooperate (with the President) but then we have people high in the administration hint that anybody who calls himself a Democrat is at least tinged with communism.—Rep. Sam Rayburn, (D. Tex.).

## Good Evening . . .

By CLINT DUNATHAN

THE TIME BOMB—Citizens Research Council of Michigan reports that "since 1946 there has been a time-bomb ticking away under the state financial structure."

How does this affect the citizens of Northern Michigan? Why should they be interested?

Because if that time-bomb explodes it may have a most disastrous effect upon the financing of the state's school districts, township government, and city government. In other words, the explosion will be felt in the pockets of the state's taxpayers.

The most violent effect will be upon the state's financial structure. The Citizens Research Council says it will "make a shambles of state revenues and so impair the state's fiscal solvency seriously."

WHAT IT IS—The time-bomb exists because of the "sales tax diversion" amendment to the state constitution, adopted in November, 1946, by about a 3 to 2 vote of the people.

What is "sales tax diversion?" It provides that one cent of the sales tax levy shall be divided so that: 1—Fifty per cent goes to school districts in the basis of the school census (number of children 5-19); 2—Fifty per cent goes to cities, villages, and townships (but not to county government) on the basis of population.

It provides that the legislature must appropriate for schools, over and above any other constitutional allocations, 44.77 per cent of the previous year's total sales tax collection.

The time-bomb effect comes about in the two-year gap between the year of actually collecting the sales taxes and the year the money is disbursed to the schools.

SALES TAX HISTORY—This time lag between collections and payment is the time-bomb feature in the sales tax diversion amendment.

Michigan's sales tax was instituted in 1933, the depth of the depression, when property owners rebelled at high property taxes. The sales tax to finance state government was then an innovation, was described as an "experiment" and temporary.

The three per cent sales tax on all purchases made by the people of Michigan brought in more revenue than had been anticipated. The state government was amply financed.

Following the depression sales tax revenue climbed still faster—and the school districts, cities and townships began casting envious eyes in that direction. Here was a source of revenue controlled by a sometimes penurious legislature.

In 1946, following a campaign spearheaded by the schools, the people of Michigan approved an amendment to the state constitution (the sales tax diversion amendment) which established a formula for distribution in which the schools, cities and townships shared in the sales tax.

TAKE LESS, PAY MORE—Sales tax revenues have been mounting steadily since the tax was instituted in 1933—but there may come a year when revenues will decline.

When sales tax revenues are mounting there is no trick at all paying out of today's revenues an amount based on the receipts of the day-before-yesterday; but when revenues turn down or drop sharply, to pay today on the basis of the higher income of the by-gone day will hurt.

In other words, under the sales tax diversion amendment the state is compelled to make distribution to the schools, townships and cities on the basis of high revenues received year-before-last—but out of income that is low for the year the distribution is made.

To receive less in the state treasury, to pay more from the state treasury, can mean only that the state itself will suffer and could go bankrupt. As Citizens Research Council phrases it:

"A precipitate revenue drop in any one year might easily result in a given year insufficient current sales tax revenue to meet mandated distribution."

The answer is to bring the people of Michigan to the realization the sales tax diversion amendment contains factors which could wreck the state's solvency.

Unless these factors are removed or corrected, Michigan will continue to hear the time-bomb ticking under its financial struture.

## UNCLE EF

It's good to know that Mrs. Eleanor Roosevelt agrees with the Big Four foreign ministers' decision to include Red China in the Geneva Conference on Korea, but Aunt Molly Harmsworth says she'd be more interested in knowing whose side she's on in the Jimmy Roosevelt marital cat-and-dog fight in California.

# Legislature Receives Telecast Opposing Beer Program Ban

LANSING (AP)—A Lansing television station (WJIM) Friday furnished the House with a transcript of a telecast which members said "was far from complimentary to the Legislature."

The telecast urged viewers to wire their legislators opposing a bill to forbid dramatizing liquor, beer and wine drinking in television advertising.

The House ordered the transcript printed in its journal.

A vote will be taken this week on a motion to demand that the station give equal time to the sponsor of the bill for a rebuttal.

Rep. Adrian De Boom (R-Owosso) has asked for the exact wording of the telecast, declaring it slurred the legislators and "very seriously misrepresented the bill."

Howard Finch, vice-president of the station, who made the telecast, supplied the transcript.

Finch acknowledged that he said

## Rapid River Honor Roll Is Announced

The honor roll for the fourth six weeks period of Rapid River High School is announced by Robert Olsen, acting principal. It follows:

**Grade 12**  
Norman Bergeron, BBBB  
Mary Bjurman, AABBB  
Mary Hayes, ABBB  
Vera Holmlund, ABBBB  
Mary Lind, AAAAA  
Gail Rushford, AAAAA

attempts to move the bill up on the calendar, preferring to let the opposition develop for a few days.

The measure would require the State Liquor Control Commission to review all television advertising of alcoholic beverages, list the violating manufacturers and forbid the sale of their products in the state under pain of license suspensions.

## Nickel Returned With Interest

OAKLAND, Calif. (AP)—Police traffic clerk Neldon Barker has "loaned" many nickels to motorists for parking meters—and then forgot about the coins.

But a thankful woman driver recently mailed him 5 cents.

"That's the first time," Barker exclaimed, "that anybody ever returned a borrowed nickel!"

She also sent him two fine linen handkerchiefs.

More people get more news from newspapers than from all other sources combined.

## Law Prohibits Dogs On Loose

City Manager A. V. Aronson today reminded owners of dogs that state law requires that dogs be confined to the premises of the owner or be under reasonable control of some person the year around.

Failure to do so is punishable by a fine not to exceed \$100 and possible destruction of the dog.

Local ordinance makes the same requirement during the period beginning May 1 and ending Sept. 30, and provides a penalty of not less than \$5 nor more than \$100 for failure to comply. Impounding of the dog may result for non-compliance. In either case the owner of a dog who does not comply may be arraigned in justice court and is subject to the aforementioned fines.

Other provisions for which the same penalty applies for non-compliance are:

1—Dogs must be licensed, which includes the requirement that they be vaccinated against rabies.

2—Dogs must be confined to premises or under reasonable control of some responsible person at all times from sunset to sunrise.

The city is now attempting to arrange for an immunization clinic whereby dogs will be vaccinated at as low a cost as possible.

## Iron County Park Board Will Take Over Fairgrounds

IRON RIVER—Plans are afoot to place the custodianship of the Iron River fairgrounds in the hands of the county park trustees.

This was a tentative agreement reached at meeting of county officials and Iron River board of education in Stambaugh. The meeting was called by Supervisor Leo Mitchell, of Stambaugh, who has been working on the matter of getting the ownership of the fairgrounds settled.

All attending the meeting were agreed that the fairgrounds belong to the county, but the Iron River schools have a 99-year lease on a certain portion. The schools are willing to forego jurisdiction with the provision that the old football field be made available for school purposes should it be needed.

The matter is due to come up for a complete discussion before the board of supervisors.

## Lady Ambassador Puzzles Swiss

ZURICH, Switzerland (AP)—Swiss newspapers are having a lot of fun trying to fit Miss Frances E. Willis, U. S. ambassador to Switzerland, into the German language.

When Miss Willis arrived last year—the first woman career diplomat to be appointed U. S. ambassador—the Swiss protocol department ruled she should be designated "ambassador," not "ambassadress."

This ruling complicated matters for a German-speaking Swiss to whom an ambassador is a "Botschafter" and an ambassadress a "Botschafterin."

The Zurich newspaper Die Tat noted that "most of our newspapers appear to have swallowed this nonsense without a second thought, either because of gallantry or awe of protocol." But not Die Tat.

"We are one of those evil papers which have taken no notice of the holy saint bureaucracy and call Miss Frances Willis ambassadress (Botschafterin) because she is a miss and not ambassadress (Botschafter) as protocol insists," Die Tat said.

Recently a picture magazine showed "the ambassador" with marketbag on arm, making "his purchases" in the Bern onion market.

"American need not be ashamed of its ambassador," Die Tat said. "On the contrary, it may be proud of him. Long may he live. Nein—long may she live."

## Garden Sponsoring Smelt Queen Contest

GARDEN—A smelt queen contest is being sponsored by the Garden Lions Club and the Smelt Jamboree Queen committee. At a joint meeting of the two groups at Garden, they adopted the accepted rules and regulations for the queen contest.

Candidates for Smelt Queen must be chosen by a sponsoring organization which will notify the queen committee of their choice. The committee will send official notification to the chosen candidate.

Election of the queen will be determined by popular vote. Each ticket purchased entitles the purchaser to cast a ballot for the candidate of his or her choice.

Organizations already signifying their intentions of sponsoring candidates are Cooks High School Junior and Senior Classes, the Garden American Legion Post, the Peninsula Lions Club and a joint sponsorship by the Girl and Boy Scout troops of Garden.

## Democrats List 18 Prospects For State Offices This Year

LANSING (AP)—The Democratic party has issued a list of 18 persons who it said should be considered as qualified for nomination to state offices in the 1954 campaign.

State Chairman Neil Staebler said the purpose of the list is to give Democrats in one county a chance to appraise persons sponsored in another county for places on the state Democratic ticket.

**Soapy At Bottom**  
The list, in deadpan fashion, ended with the name of Gov. Williams, unquestionably the party's top candidate for any post he chooses.

More names will be added, Staebler said, as county committees recommend them.

The list:

Paul L. Adams, former mayor of Sault Ste. Marie and former member of the State Welfare Commission; Robert J. Baker, of Adrian, auditor general candidate in 1952; C. Anthony Balice, Ionia mayor; Theodore R. Bohn, chairman of the Wayne County Democratic Committee.

George E. Bowles of Plymouth, chairman of the State Labor Mediation Board; Ed Carey of Detroit, Democratic floor leader in the House; John W. Connolly of Detroit, former lieutenant governor.

**Blair Moody Included**  
Tom Downs of Detroit, member of the Michigan Employment Security Commission; James M. Hare of Detroit, manager of the Michigan State Fair; Philip H. Hart of Lansing, legal advisor to the governor, former U. S. district attorney and former corporation and securities commissioner; Carroll B. Jones of Marcellus, former state senator.

James H. Lincoln of Detroit, candidate for mayor last year; Blair Moody of Detroit, former U. S. Senator, Owen Mumaw, Mayor of Greenville; Joseph G. Rashid, assistant Wayne County prosecutor; Charles F. Schuler, former Muskegon County Clerk; Talbot Smith of Ann Arbor, member of the State Corrections Commission and candidate for the Supreme Court last year, and Gov. G. Mennen Williams.

Bus transportation from the C. & N. W. station to the Milwaukee Arena where the show is opening March 23, and back to the station will be provided.

According to Wesley Givens, of the Follies, the Escanaba Day matinee will be scheduled for 1:30 but the show will not begin until the arrival of the Escanabans.

Reservations must be in as early as possible to determine if there are enough persons interested to warrant the special rate. Wednesday noon is the deadline for them. They may be made up to 6 p. m., with Miss Groos, a former member of the Follies cast, telephone 1762, and in the evening with Miss Carolyn Johnson, 159J.

## Soil Conservation District Petition Drawn At St. Ignace

ST. IGNACE—Petitions with signatures of over 100 farmers in Mackinac and Luce counties were presented to the state committee on soil conservation this week. They requested a hearing for the purpose of setting up a soil conservation district in the western part of Mackinac and Luce counties.

According to Karl Larson, county agent, five townships in Mackinac County and four townships in Luce County would be included in the district. The townships are Hudson, Hendricks, Newton, Garfield and Portage in Mackinac County and McMillan, Pentland, Columbus and Lakefield townships in Luce County.

It was reported that the hearing may be held in late March and if favorable action follows, the voting to establish a soil conservation district in the area would be the next step in the proceedings.

## Lions' Cabinet Meets In Escanaba

District Governor Waldo McCrae, Marquette, of District 10, Lions International, and members of the governor's cabinet met in Escanaba Sunday at the Sherman Hotel to discuss plans for the district Lions convention to be held in Escanaba in June.

Attending the meeting in addition to Gov. McCrae were deputy district governors and zone chairmen from all sections of the Upper Peninsula.

Ken Gunderman, president of the Escanaba Lions Club, outlined work accomplished this year by the Escanaba club in planning the convention.

More than 250 delegates are expected to attend the three day convention.

## Wall Street

NEW YORK (AP)—The stock market moved narrowly today with most price changes in the smaller fractions and outside limits around a point in key areas.

Trading was under that of Friday when 2,030,000 shares changed hands.

The railroad section of the market was under the handicap of a report showing net income for 130 class one railroads in January down to 18 million dollars from \$17 million a year ago.

Among higher stocks were Johnson & Johnson, American Telephone & Telegraph, U. S. Steel, and Boeing. Lower were New York Central, Southern Pacific, Standard Oil (NJ), American Cyanamid, Westinghouse Electric, and General Motors.

U. S. government bonds were quietly steady.

## Scouts From Garden Will Sponsor Smelt Queen Candidate

LOLA FLICKINGER

GARDEN—The Garden Girl Scout and Boy Scout troops entered Lola Flickinger as the first candidate for Smelt Queen to be crowned at the Lions Club sponsored Smelt Jamboree in Garden April 24.

Lola is the daughter of Mr. and Mrs. Gerald Willet who reside at Cooks Corners. The 15-year-old high school sophomore was born in Forest, Ind. and has since resided in Cove, Ark., Wolverine, Mich. and Garden Corners. She is a slim, vivacious girl, 5 feet and 2 inches in height, with brown hair and hazel colored eyes. She enjoys swimming, basketball and volleyball and takes great pleasure in amateur photography and reading. Lola makes many of her own clothes and is an accomplished pianist. She also plays the cornet in the Cooks High school band and is a member of the glee club. She is an active member of the Girl Scouts, holding the position of secretary. She is also active in church work, belonging to the Pilgrim Fellowship.

Lola has won 4-H honors several years and is an honor roll student. She is pursuing a business course in school in preparation for a secretary's position upon graduation.

## Briefly Told

**Annual Band Election**—Annual election of officers of the Escanaba Municipal Band will take place tonight after rehearsal at the city hall. Rehearsal begins promptly at 7:30 p. m. All band members are urged to attend.

## No-Bill Doctor Gives Up Practice

BALTIMORE (AP)—Dr. Anthony L. Rettaliata, 80, the physician who never sent out a bill, has finally retired. Old Doc Rettaliata would just as soon keep on going. But being a man who knows all about those things, he realizes his heart won't stand an energetic pace any more.

In reference to his failure to send bills he says: "I thought they'd pay me if they could. And many of them did." Mrs. Rettaliata chimed in with a footnote: "And many of them didn't."

## Sen. Potter Opposes Slash In Funds To Fight Sea Lamprey

WASHINGTON (AP)—Sen. Potter (R-Mich.) Friday deplored a proposed cut of more than 50 per cent in money for the fish and wildlife services four year old war on sea lampreys in the Great Lakes.

Potter, in an interview, said there should be no let-up in efforts to control the eel-like parasites which have practically cleared lakes Michigan and Huron of trout and other valuable food fish and now are ravaging Lake Superior.

**Business On Decline**

If necessary, Potter said he will battle in the Senate for higher appropriations for the control work. He said the lampreys' depredations have reduced the financial "take" of Great Lakes fishermen to about a million dollars a year compared with 12 million before 1945. That's when the lampreys first started entering the lakes in large numbers, clinging to the bottoms of ships passing through the Welland Canal.

Potter said he will ask Secretary of the Interior McKay and John L. Farley, new director of fish and wildlife service, to discuss with him their reasons for halving the service's request for lamprey-fighting funds.

**Electrical Barriers Used**

Potter said the service cut its request for the control work to \$180,000 for the year beginning July 1, as compared with \$370,000 appropriated for the 1953-54 fiscal year.

Most of the money has gone for electrical barriers to divert the lampreys from streams where they can reproduce.

As a House member Potter steered the first lamprey-control

legislation through Congress. Beginning with a 1950 fiscal year appropriation of \$286,000, Congress voted \$202,000 for 1951, \$343,000 for 1952, \$441,000 for 1953 and the current \$37,000 appropriation.

## Adlai Indicates He'll Be Factor In 1956 Campaign

(Continued From Page One)

here Saturday night that McCarthy's investigation threatened a "malignant and fatal totalitarianism" and that out of two million federal employees "only one alleged active Communist" has been found" brought a hot reply from McCarthy.

**Radio Answer Indicated**

"It was a very clever political talk designed to cloud the issues," McCarthy said in an interview.

"What the Republicans are trying to do is clean up the Democratic mess. We don't always agree on how the job should be done, but we all agree it must be done."

McCarthy said he campaigned for Eisenhower in 1952 and "I'd campaign for him again today." McCarthy said he thought what Stevenson was so "stirred up about" was the fact that Eisenhower "does not object to exposure of Communists in the Army or elsewhere."

Stephen A. Mitchell, Democratic national chairman told a news conference here Sunday that Stevenson's speech was carried free on CBS television and NBC radio. In the past McCarthy has demanded and obtained equal time to answer former President Truman and other Democratic speakers who have attacked him.

McCarthy said he wanted equal time on national radio and television networks to reply to Stevenson.

Stevenson's crackling speech

two service secretaries—but has succeeded in steering clear of embarrassments like those suffered by Stevens and Talbott.

The possibility that an outsider might be asked to accept the job was not precluded in Pentagon talk.

In this connection, there was mention of such names as Paul G. Hoffman, like Wilson and Kyes a motor industry man and a former foreign aid program administrator, and of John J. McCloy, New York banker who has held several important government posts in Washington and abroad during the last decade.

signed seven agreements. These are:

1. The mutual defense assistance agreement.
2. A purchase agreement covering import of surplus U. S. grain.
3. An economic arrangement agreement. This provides Japan 50 million dollars in surplus grain for sale there. The proceeds are to be spent on military buildup.
4. An investment guarantee agreement. This allows American investors the right to recover investments in Japan and take out profits. Capital can be taken out after two years at the rate of 20 per cent yearly.
5. An agreement for the return of material no longer useful or needed.
6. An agreement to call the grain procurement a direct purchase in the event the Diet does not ratify the over-all agreement.
7. An exchange of letters stating views on item 4.

day of publication.

# Women's Activities

## Girl Scouts Will Celebrate 42nd Birthday March 12

The Girl Scouts of Delta County are joining with more than two million members of the organization throughout the country in celebrating Girl Scout Week, March 7-13, and the 42nd anniversary of Girl Scouting in the United States on March 12.

According to Mrs. L. K. Hillewaert, Delta County Council President, this will be the first time that Girl Scout Week will be observed in March. Previously Girl Scout Week occurred in October, but by vote of the national convention last fall, the dates were changed to coincide with the annual celebration of the Girl Scout anniversary March 12.

### Theme of Week

Theme of the week is "Know Your Neighbors—Know Your Nation." The seven-day observance opened Girl Scout Sunday when troop members and leaders attended their churches in uniform.

Friday will be the 42nd anniversary of the founding of Girl Scouting. Mrs. Hillewaert stated. It was on this day, in 1912, that the late Juliette Gordon Low organized the first Girl Scout troop in her home city, Savannah, Ga., and started what has become the largest organization of its kind for girls in the world.

One of the features of the Girl Scout birthday celebration, Mrs. Hillewaert said, will be an ingathering of Kits for Korea, a project which Girl Scout troops throughout the nation are carrying on to aid the children of that war ravished country.

### No Public Program

Locally there will be no public observance of the birthday due to the fact that Girl Scout Week was celebrated last October. However, most troops in the county are having their own parties at their troop meetings during Girl Scout Week. Many troops have participated in the Kits for Korea project and will be sending these overseas during this week. Several troops are planning and arranging a window display and radio programs have been planned throughout the week.

## Calory, Vitamin List Easy To Conquer

By ROSEMARY CLOONEY

(Written for NEA Service)

The diets our doctor gave us allowed me considerable latitude in planning meals. Provided I was willing to juggle calories, vitamins and minerals, we both could have palate-pleasing meals that were basically similar.

I didn't know anything about calory counting or the amount of vitamins needed daily, so I struggled with my figuring, consulting the doctor's lists constantly. Frankly, it seemed quite a burden in the beginning.

In a few weeks though, I learned the elementary facts of nutrition. And in another few weeks, I had really caught the

Rosemary Clooney believes that it's her responsibility as a housewife to plan meals and snacks (for a two-way diet) that are wholesome and tempting.

idea of how to prepare a sound meal for each of us. There was much less need to consult the calory and vitamin lists.

Some facts were very easily impressed on my mind. Realizing that beef is rich in protein and comparatively low in calories certainly took only an instant. And, after comparing the caloric content of a couple of stalks of celery with that of an ice cream soda, I had no difficulty recalling those disturbing figures.

I suppose I will always have to consult the doctor's plan and lists for the finer points. But now that I have established my routine, it doesn't seem that I am taking any special trouble at all. In fact, I rather enjoy it.

Now that the plan is working smoothly, I am working to keep our menus from becoming monotonous. One way I do this is by consulting the market reports in our newspaper. When favorite fruits and vegetables, such as strawberries and asparagus are in season, I see to it that they figure prominently in coming menus.

### Legion Auxiliary Meeting Tuesday

A regular monthly meeting of the American Legion Auxiliary, Cloverland Post 82, will be held Tuesday, March 9, at 8 p. m. in the Legion Club Rooms. Plans for Poppy Day in May will be made and a discussion on Girls' State will be held. Final arrangements will be made for the Legion birthday party Monday, March 15. The meeting is a joint one and all members are invited. Mrs. Kate Donovan is chairman of the committee for the evening.

Mrs. John Janeczek returned today to Milwaukee after visiting with Mr. and Mrs. R. H. Wendt, 422 N. 16th St., for the past week.

Mr. and Mrs. Robert Thyberg and children, Kenneth and Dee-Ann, 223 S. 19th St. returned home Saturday after visiting at Detroit. Mrs. Thyberg and the children spent three weeks there, and Mr. Thyberg was in Detroit for one week.

Mr. and Mrs. Oren King and daughter, Judy, of St. Ignace spent the weekend with Mrs. King's mother, Mrs. Charles Bisdee, 815 S. 10th St.

Mr. and Mrs. Harrison Wise and daughter, Sandra, of Green Bay were weekend visitors at the home of Mr. and Mrs. Gilbert Sivola, Ford River Road. Mrs. Wise and Mrs. Sivola are sisters.

Mr. and Mrs. Eugene LeClaire, Mr. and Mrs. Edward LeClaire and Louie LeClaire motored to Iron River Sunday where they visited with Eugene LeClaire's mother, Mrs. Armidis LeClaire, who celebrated her 90th birthday yesterday. Mrs. LeClaire is the grandmother of Edward and Louie LeClaire.

Be sure to use chicken or turkey giblets, from frozen poultry, within twenty-four hours after thawing them.

**P.T.A. Meeting**—The Kasten School P.T.A. will hold a meeting Tuesday, March 9, at 8 p. m. Hagle Quarnstrom, county superintendent of schools, will be the guest speaker. Lunch will be served at the close of the meeting.

**HOME-STYLE ALMONDS**—You can make delicious salted almonds at home. First blanch the almonds and dry on a towel. Place the blanched almonds in a shallow pan, adding a teaspoon of butter or margarine for each cup of the nuts. Toast in a slow oven for 25 to 30 minutes, stirring occasionally. Turn the almonds out on paper toweling, sprinkle lightly with salt at once, and allow to cool. Store in tightly covered container.

Slices of processed yellow cheese may be used to make pretty garnishes. Cut the cheese thin; with small cutters, cut out stars, diamonds or hearts. Use the cheese cutouts for salads and canapés.

## Escanaba Deanery Meeting At Holy Family In Flat Rock

Over 135 members of the Escanaba Deanery, Marquette Diocesan Council of Catholic Women, attended the highly successful meeting held Sunday afternoon at Holy Family parish hall in Flat Rock.

The program of the day opened with prayer by Father Gerard LaMothe, Holy Family pastor. The minutes of the last meeting were read by Mrs. James Degnan.

Detailed reports of the activities of their committees were given by the chairmen. Mrs. John Root, organization and development; Mrs. John Anthony, cooperation with the Confraternity; Mrs. Stack Smith, libraries and literature; Mrs. William A. LeMire, acting for Miss Lenora Ryan, retreats; Mrs. George Har-

vey, Bishop Baraga, and Mrs. G. E. Christie, Mass Crusade.

### Retreats in April

Mrs. LeMire, in connection with the report announced that retreats for high school students will be held in April with Father Ronald J. Bassett of Marygrove, Garden, retreat master. The boys' retreat is to be held April 9-11 and the girls' April 13-15. Mrs. LeMire urged parents of high school boys and girls to encourage their attendance at the retreat services.

Unit presidents of each parish also gave reports.

Father Charles Carmody of St. Thomas the Apostle Church, principal speaker of the day, used "Parent Educator Program" as his topic. He explained its workings and urged its adoption in all parishes. He suggested that committees be named to devote all of their time to the program.

### St. Patrick's Tea

A beautifully appointed tea was served in the newly redecorated hall at the close of the afternoon program. The St. Patrick's Day theme of green and white was used. The tea table with its white cloth was centered with a harp with flowers and green tapers at each side. St. Patrick's hats and white flowers were on the side table. Pouring were Mrs. Hector Beauchamp and Mrs. Henry King.

Mrs. King, who is president of the Altar Society of the church, was general chairman of arrangements for the meeting. The tea was in charge of Mrs. Henry Menard and her committee.

## St. Anne's Club Communion And Breakfast Sunday

Members of St. Anne's Social Club received Holy Communion in a body Sunday at the 9:30 a. m. mass and gathered in the parish hall following mass for a Communion breakfast. Eighty-one members were present.

Father Clifford Nadeau who offered the grace, gave a short address following the breakfast, congratulating the members on the excellent attendance record. A short business meeting at which Mrs. Thomas Richer, club president, presided followed his talk.

The tables were attractively appointed in the St. Patrick's Day theme.

Mrs. Arthur Barron was chairman of the committee in charge, assisted by Mrs. George Peterson, Mrs. Joseph Cousineau, Mrs. J. DeGrand, Mrs. John Peltier, Mrs. Alfred Provencher, Mrs. Joseph Nolden and Mrs. Anna Taylor.

### W. C. T. U. Monthly Meeting Wednesday

The monthly meeting of the W. C. T. U. will be held Wednesday, March 10, at 2:30 p. m., at Calvary Baptist Church. Mrs. John Laeche will be guest speaker. The programs also will include vocal solos by Mrs. Reynold Hamrin and piano numbers by Susan Cathart. Refreshments will be served by Mrs. J. B. Lindquist, Mrs. John Kallin and Mrs. David Cathart. The public is invited.

## Founders' Day Play At Chemical PTA Meeting Tuesday

A Founders' Day play, "Youth Takes a Hand," will be given at the March meeting of the Chemical Parent Teacher Association Tuesday, March 9, at 7:30 p. m. at the school.

In the cast will be four Girl Scouts, Joan Brazeau, Rosaline Cody, Susie McMillie and Patsy Saxton and Mrs. Fred Michaud, PTA president. Girl Scouts will serve tea following the program. The business session will be held at the close of the meeting.

All parents and friends of the school are invited.

## Church Events

**St. Stephen's Service**—A service of Holy Communion will be held at St. Stephen's Episcopal Church Tuesday at 10:30 a. m.

**Chapel Story Hour**—A song and story hour will be held at Bethany Chapel in North Escanaba Tuesday at 3:45 p. m. There will be no Bible class Tuesday evening.

**Salvation Army**—The Young People's Society of the Salvation Army will meet Tuesday, March 9, at 8 p. m. The Corps Cadet Class meets the same evening at 8:45.

**Bethany Meetings**—Bethany meetings Monday are the Boy Scouts, at the church at the usual hour and the membership class at 6:30 p. m. at the Chapel.

that the church's system of government is "itself a representative democracy." The people govern the church through elected representatives, and all property is vested in laymen—not in ministers or bishops, he explains. "A Presbyterian," he says, "is a Protestant who belongs to a particular form of church government. The word Presbyterian refers not to a special system of doctrine or worship, but to a representative form of church government."

Dr. Bonnell's article, "What Is A Presbyterian?" is twelfth in LOOK's series on the various religious groups in the United States.

## Jet Plane Base Site Selected

TRAVERSE CITY — A 10-man Air Force survey team has tentatively selected 2,500 acres of land 13 miles south of here in northwestern Michigan as the site for a \$13,000,000 jet air base.

The announcement of the selection was made Thursday by Col. M. De Longe, commanding officer of the Washington survey team.

Plans call for one runway 7,500 feet long that can be extended to 10,000 feet and a second runway would extend 6,000 feet.

The airfield would be a base of operations for a wing of jet planes designed to protect Michigan industries and Chicago and the vital Soo Locks.

The final decision on the site would be made by the board of supervisors of Grand Traverse County. If approved, construction would begin in the spring of 1955. It would take approximately two years to complete the base.

## Danforth

DANFORTH — The regular meeting of the Danforth Child Study group was held at the home of Mrs. Llewellyn Larson Wednesday night. A discussion was led and some articles read by Miss Anita Kotila, R. N. of the Delta County Health department. Lunch was served after the meeting by Mrs. Larson and Mrs. Robert Jensen. The next meeting will be held at the home of Mrs. George Larson April 6.

The Rev. Paul Horst and daughter Janalee have gone to Pennsylvania to visit with Rev. Horst's parents.

The Rev. Ralph Stanley, of Wakarusa, Ind. and Glen Yoder of Shipshewana, Ind. visited recently at the Paul Horst home.

Mrs. Paul Horst and Mrs. George Larson represented the Danforth Home Economics Club at Gladstone at a recent planning session of Home Economics Groups.

Paul Anderson, son of Mr. and Mrs. Norman Anderson, is ill at his home.

Mrs. David Horst left Thursday afternoon for a visit at Germfask and Grand Marais.

## U.S. Won't Cut Off Aid To Nations Who Trade With Russia

WASHINGTON — President Eisenhower has ordered continuance of U. S. aid to Denmark, France, Italy, Norway and the United Kingdom despite shipments of strategic materials by each of those countries to Iron Curtain nations.

In a report to Congress required under the Mutual Assistance Control Act of 1951, the President said he was doing so "because the cessation of aid would clearly be detrimental to the security of the United States."

With his report Eisenhower sent to the lawmakers a letter to him from Harold E. Stassen, chief of the Foreign Operations Administration.

Stassen told the President that

most of the shipments by the five countries "continue to be prior commitments—that is, shipments resulting from commitments that were made prior to the effective date" of the embargo provisions of the 1951 law.

Stassen added that some of the other shipments "are the results of more recent commitments which, in unusual circumstances, Western countries have considered necessary or in the long run beneficial to themselves and to the free world, because of the two-way trade that was made possible by the strategic shipments."

The 1951 law, known as the Battle Act, forbids all U. S. military, economic and financial assistance to any country which knowingly permits the shipment of items listed for embargo under the act.

Exceptions are permitted, however, in cases where the President finds that a cessation of aid would be clearly detrimental to the security of the United States. The exception provision does not apply to shipment of such items as arms, ammunition, implements of war and atomic energy materials.

## Peninsula Mines Ask State Boost

LANSING — The Michigan Legislature was asked Thursday night to give its iron and copper mining industry a hand in a worldwide race for metals production.

Key finance men of the legislature heard representatives of the Upper Peninsula, the mining industry and the Michigan College of Mines and Technology plead for \$723,000 to conduct research into the mining of low mineral ores.

The money would be spent for a metallic ores research laboratory at the mining college. The mining industry has promised assistance, said Dr. Grover C. Dillman, mining college president.

Louis M. Nims, State Revenue Commissioner, who was credited with initiating plans for the Michigan research in 1950, said Minnesota taconite ores are magnetic and yield to concentrations which make them economically feasible to ship and smelt.

Michigan ores, Nims said, are non-magnetic jaspers for which there is now no known method of concentration.

If Michigan can find a way to crush and separate low grade ores, Nims said it can produce at least 5 and a half billion dollars worth of marketable ore.

## Gen. Dean Wills His Eyes To Eye Bank At Walter Reed Hospital

WASHINGTON — If Maj. Gen. William Dean has his way, his eyes will enable some blind person one day to see the world again.

Walter Reed Army Hospital said the general, while he was being treated at the hospital for an eye ailment he contracted during his captivity by Communists in Korea, became impressed with the work done in restoring

## Welfare Club Meets Tonight

A regular meeting of the Child's Welfare Club is being held this evening at 8 at the home of Mrs. B. H. Skellenger, 1312 Wisconsin Ave.

There will be a business session followed by a social.

Mrs. E. A. Lawin heads the committee in charge of the gathering and is being assisted by the Mesdames Robert Wilbee, Lloyd Morgan, W. A. Aasve, Exior Beauchamp, Ed Larson, Martin Vandonsel, M. O. Goodman, Marie Maxwell and Paul Schram and the Mesdames Donna Mae Lindahl, Flora LaRoche and Irene Larson.

## Briefly Told

**Adult Class**—The Adult Class of Memorial Methodist Church will continue its study of the prophet Jeremiah at a meeting Tuesday evening at 7:30 in the parsonage.

**Cleaning Bee**—A cleaning bee will be held in the Masonic hall on Tuesday evening at 7:30. Worshipful Master Lawrence Alton urges all Masons to turn out to help in the work.

## IN MEMORIAM

In loving memory of our dear husband and father, Clarence Mickelson, who passed away two years ago, March 8, 1952.

You bade no one a last farewell, You said good-bye to none, Your loving heart had ceased to beat

Before we knew it, you were gone, More and more each day we miss you,

Friends may think our wound is healed, But they little know the sorrow That lies within our hearts concealed.

Mrs. Clarence Mickelson and family.

## Future Looks Bright For Cars In Holland

AMSTERDAM (AP)—Holland's fast-growing automobile industry faces a bright future, according to its 33rd annual auto show.

The outlook for exports is good and this densely-inhabited little

## City Briefs

Mr. and Mrs. Roy Tumath have returned to their home here following a three months vacation spent in Florida and California. The Al Vernich family has moved to Kalamazoo where Mr. Vernich, a Bell Telephone employee, has been transferred by the company.

Mr. and Mrs. Walter Timler and her mother, Mrs. John Vergoz, Erie, Pa., are visiting with his brother, Leo Timler and family. The Walter Timlers and her mother and the Leo Timlers left Saturday to visit with Mrs. Leo Timler's parents in Pulaski, Wis., and with Leo and Walter's brother in Sheboygan, Wis., and with nieces and nephews in Milwaukee. Enroute they also visited with the Ronnie Timlers in Green Bay.

Jerry Norick and Don Jacobson, students at the Michigan College of Mining and Technology, Houghton, are spending a nine day spring vacation at their parental homes.

Mr. and Mrs. D. Hargrave, Neenah, Wis., visited over the weekend with her parents, Rev. and Mrs. Theophil Hoffmann.

Robert Quarstrom, student at the Michigan College of Mining and Technology, Houghton, arrived Friday to spend a nine day spring vacation with his parents, Mr. and Mrs. Hagle Quarstrom.

Michael Fournier, son of Mr. and Mrs. Harvey Fournier, submitted to a tonsilectomy Wednesday at St. Francis Hospital and was discharged on Thursday and returned to his parental home, 1-19 Delta Ave.

country of windmills and dikes offers an excellent market in itself. Its 10 1/2 million people own a total of only 194,000 cars.

One Dutch company builds cars and trucks from scratch; the rest of the industry assembles foreign vehicles whose basic parts have been manufactured in other countries.

Of the 74 makes on display at Amsterdam, 28 were British, 18 American, 10 German, nine French and two Russian. But 13 were Dutch-assembled.

In 1952 auto exports totaled more than 24 1/2 million guilders \$6,125,000—a welcome contribution to Holland's foreign exchange.

Prominent among foreign-owned factories is the Ford subsidiary, established 30 years ago. Prices of Dutch-assembled Ford cars range from \$970 for the "Consul" to \$6,200 for an American-style Lincoln.

A Kaiser-Frazer plant at Rotterdam is stepping up production of Willys passenger cars, trucks and jeeps. Also manufacturing a jeep-style vehicle is Holland's only all-Dutch motor company, Van Doorne's Automobil-Fabriek.

"Big Three" of Holland's motor industry are Ford, Kaiser and the British Morris Company. Also represented are several American truck makers, among them White, Diamond T, International, Dodge, DeSoto, Reo and Studebaker.

While exports account for as much as 80 per cent of some companies' output, the potential domestic market is too big to be overlooked. It includes the 230,000 Hollanders who get around on motorcycles, scooters and motorized bikes, and millions of bicycle riders.

## Social

**Maccabees Meeting**—The Lady Maccabees will hold a regular meeting Tuesday evening at 7:30 at the home of Mrs. Louis LaCombe, 619 Minnesota Ave. After the business session the usual games will be played and lunch served. The ladies may bring a friend.

**Tabitha Society**—The Tabitha Society of the First Lutheran church will meet at 2:30 Thursday afternoon in the church parlors. A bake sale will be held in connection with the Aid meeting. Visitors are welcome. Hostesses are the Mesdames William Marshall and Henry Bosworth.

**Steven's Party**—Steven Nolan, son of Mr. and Mrs. Milburn Nolan, celebrated his fifth birthday Thursday, March 4, with a birthday party at his parental home. The youngsters enjoyed cowboy games after which a delicious birthday lunch was served. Steven was presented with many nice gifts.

Those attending were Billy Larson, Robert Helman, Gary and Jimmy Swenson, Johnny Lynch, Don Erickson, Bruce Hawkinson and Jerry and Debbie Nolan, brother and sister of Steven.

## Change Time Of Soo Line No. 8

Under a new schedule which is effective on Sunday, March 14, Soo Line passenger train No. 8 will operate on a two-hour earlier schedule, according to Supt. A. C. Peterson.

There will be no change in the schedule of West Bound No. 7. Beginning next Sunday No. 8 will leave Minneapolis at 5:05 p. m., and arrival time in Gladstone will be at 4:45 (CST) and departure time will be 5 (CST) or 6 our time.

The change will provide a connection at Ladysmith, Wis., with No. 18 from Duluth to Chicago. It also creates a new direct route from Minneapolis and points in Wisconsin to communities in the Copper Country and other areas of Upper Michigan.

Arrival time at Sault Ste. Marie will be 9:35 (CST) instead of 11:45 as at present.

## Gladstone Boy, 8, Is Struck Between Eyes By BB Pellet

Warren Louis, 8, son of Mr. and Mrs. Earl H. Louis of 72 Superior Ave., was shot between the eyes with a pellet from an air rifle about 5 p. m. Saturday while playing on "the commons," an open area north of Superior Ave. The shot lodged beneath the skin between his eyes and was removed by a local physician. City police who investigated the shooting said the boy's eyes might have been seriously injured if the shot had struck him a quarter-inch to either side.

Police said the shot was fired by one of two older boys, both about 14, who were taking turns shooting an air rifle at Warren and two other young companions. The air rifle was confiscated by police. They pointed out that city ordinance prohibits the firing of such weapons anywhere within the city limits.

## Hermansville

**Fire Department Meets**—HERMANVILLE—The Meyer Township Volunteer Fire Department met in the township rooms of the Community Club. President Charles Koehn presided.

Fire Chief Richard T. Lungehusen reported to the group on bids received for new fire hose. James E. Gribble reported on insurance. All members of the fire department are protected under blanket policy of township, covering standard workmen compensation.

Henry Ball of Powers of the Wisconsin-Michigan Power Co., discussed cutting of electrical wire in case of fire. Never cut wire unless wire is clear and not crossing other wires, he said. Always cut wire as close to pole as possible using rubber gloves and protected pliers. In case of electrical fire call Wisconsin-Michigan Power Co. Ball told the firemen.

The water-hole committee stated holes impossible to locate at this time of year, while ground is covered with snow. This committee will report later when weather makes location of holes possible.

Deputy Sheriff Andrew Vescolani discussed traffic in regards to fire call. Vescolani stated that operator of fire and tanker must have operators license. Flares, flags and safety equipment will be taken care of by Vescolani who is a member of the first department.

The fire chief told the group of the agreement with Faithorn, Powers and Spalding is regards to cooperation at times of fire.

Faithorn Township Supervisor, John Curran reported that Faithorn has six men who will learn operation of fire truck and tanker. Curran said they would place one man in town to give direction in case of fire.

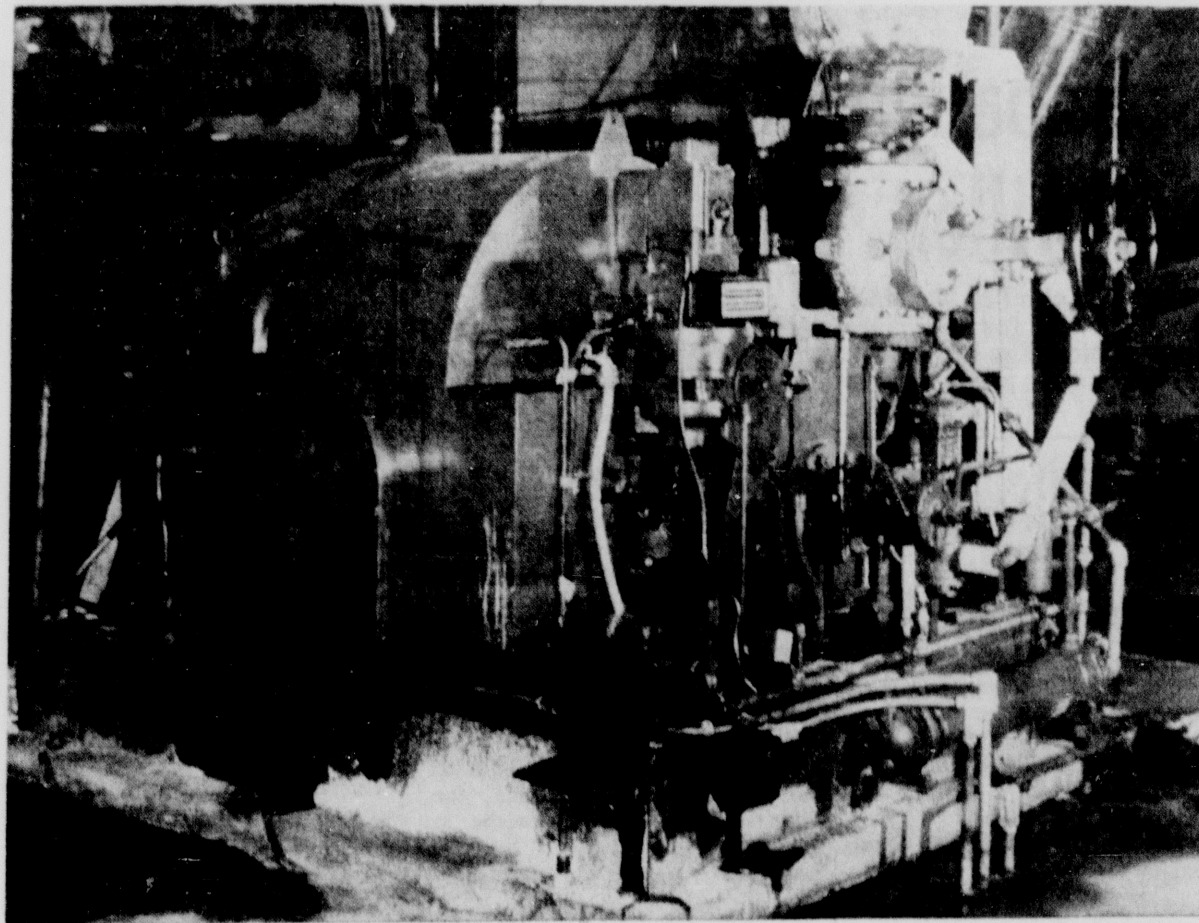

The firemen will hold their annual election of officers the first Wednesday in February of this year.

The group unanimously adopted the Constitution and by-laws as adopted.

Charles Koehn, Richard Grenier and Sven Anderson were appointed to the lunch committee.

**HEAT AND COLD**—Heat waves approach gradually, but depart abruptly, with a thunderstorm; cold waves reverse the process—they come with a sudden storm and depart gradually.

# MANISTIQUE

**NEW TURBINE**—Installation of this new 650-horsepower steam turbine at the Manistique Pulp and Paper Company was completed last week. The turbine will increase speed of paper machines at the plant, which manufactures ground-wood specialties. (Landerth Photo)

## Elks Lodge Will Tribute Past Rulers And Members

Members of Manistique B.P.O. Elks Lodge No. 632 will honor past exalted rulers and members of long standing at a special program to be held in the temple here March 17.

Past rulers and members will be tributed for their foresight both in organizing the lodge and in erecting the Elks Temple here, which also serves as a community meeting place. Progress of the club also will be reviewed.

The principal address will be given by Dr. James H. Fyvie of

Manistique, a member of the committee in charge of arrangements.

George Schweikert is chairman of the steering committee, and Ossie Smith is chairman of the committee in charge of a smorgasbord supper to be served after the program.

Election of officers for 1954-55 also is scheduled.

Living past rulers of the Lodge who will be honored are as follows:

Ed Jewell, first ruler, 1910; Dr. T. R. Southard, 1916-20-21; Glen H. Thomas of Steuben, 1919; Stanley O. Crowe, 1929; William J. Cook, 1931-32; Otmer J. Schuster, 1933-34-35-36-37-46; John W. Kelly, 1938-39-40; Clint E. Leonard, 1941; Dr. C. F. Anderson, 1942; Neil Reese, 1943; William L. Norton, 1944-47; Don McPhail, 1948-49; Carl L. Carlson, 1949-50; and Fred Hahne, 1951 to the present.

The committee in charge, in addition to Schweikert and Dr. Fyvie, consists of Ernest Eckland, Emory Barnes, Al Farley Charles Rusiecki, O. F. Smith, Jack Quick, John Girvin, Kenneth Van Eyck, George Stephens and Ronald Fiegl.

All Elks in the community have been asked to attend.

## Funeral Services For Mrs. D. J. Ward Scheduled Tuesday

Funeral services will be held at 2:30 p. m. Tuesday from Kefauver & Jackson Funeral Home for Mrs. Douglas (Maria A.) Ward, former Manistique resident who died March 5 in Grand Rapids.

Mrs. Ward was born Nov. 27, 1869 in Germany.

She was a member of the Manistique First Methodist Church and Ida Chapter No. 54, O.E.S. Surviving are three daughters, Mrs. C. E. Kaye and Miss Martha Ward of Buchanan and Mrs. W. A. Thomas of Thermopolis, Wyo.; two sons, Douglas, of Chicago, and Chester, of Escanaba; eight grandchildren, and eight great grandchildren.

The body will arrive tonight, about 8 o'clock, from Van Zee Funeral Home in Grand Rapids.

The Rev. Edgar Smith of Manistique will officiate at services Tuesday afternoon, with Mrs. Carl Wedell as organist and Herbert Peterson, soloist.

Eastern Star services will be conducted and members of the Lakeside Lodge, No. 371 F. & A. M. will serve as pallbearers. Burial will be made in the spring in Lakeview cemetery.

## Sportsmen Finish Plans For Annual Party April 17

Final plans were approved for the Third Annual Sportsmen's party, to be held April 17, at a meeting of the Schoolcraft County Sportsmen's Club here last week.

The party will be held at the armory with the Swing Kings furnishing music for dancing, and smorgasbord lunch will be served. The party this year is expected to be "bigger and better" in every way than last year's.

Information now is being sought by the club on a small parcel of Mead corporation land upon which to build a new clubhouse. Members also discussed proposals on the agenda for the forthcoming MUCC convention at Escanaba March 28.

Boneless perch was served after the meeting.

Classified Ads cost little but do a big job

**IS ENGAGED**—Mr. and Mrs. Eldon Norton, N. 3rd St., announce the engagement of their daughter, Gail, to Adolov V. LaCroix Jr., son of Mr. and Mrs. Adolov LaCroix Sr., of Gulliver. No date has been set for the wedding.

## Briefly Told

**Choir Practice**—The choir of Zion Lutheran Church will meet in the church at 7 p. m. Tuesday.

**Legion Auxiliary**—The American Legion Auxiliary will meet tonight at 8 in the club rooms.

**K-C Meeting**—The regular meeting of the Knights of Columbus Lodge will be held tonight at 8 in the club rooms.

**Men's Club**—The Men's Club of the First Baptist Church will meet in the church at 7:30 p. m. Tuesday.

**Prayer Circle**—The prayer circle of the First Methodist Church will meet at 7:30 p. m. Tuesday at the home of Mr. and Mrs. Frank Pavlot, Maple St.

## Chatham

**Lions Sponsor Program**

CHATHAM—The Lions Club, in collaboration with the Marquette and Munising Red Cross will sponsor a bloodtyping program for all Chatham Lions Club members and their wives Thursday, March 11, at 7 p. m. at the Chatham Town Hall. Mr. Jouppe, St. Luke's Hospital technician, will be in charge.

**Wedding Shower**—A wedding shower for Mrs. Wayne St. Pierre, the former Dorothy Ruuska, daughter of Mr. and Mrs. Oscar Ruuska of Chatham, was held in Escanaba at the home of Mr. St. Pierre's grandmother, Mrs. Mose Martin. Cards were played, and lunch was served. Miss Marilyn Tilbert, a cousin of Mr. St. Pierre, assisted the bride in opening her gifts. Mr. and Mrs. St. Pierre were married recently in Escanaba. The bridegroom is in service.

**Briefs**

Mr. and Mrs. Leslie Latvala attended the basketball tournament in Marquette Saturday evening.

Mrs. Larry Barber visited Mrs. Toivo Johnson and Mrs. Mike Seppi, who are patients in St. Luke's Hospital, Marquette, Friday.

Mrs. Matt Pantti and Mrs. Tauno Pantti visited Mrs. Toivo Johnson at St. Luke's Hospital, Marquette, Friday.

John Seppi and Mrs. Henry Norman visited their mother, Mrs. Seppi at St. Luke's Hospital, Friday.

**FURNISHED APARTMENT For Rent**

Living room, Kitchenette, Dinette, Bedroom and Bath at 107 River St.

Call 207 for appointment.

## Benefit Show Brings Nearly \$800 For Family

Nearly \$800 was contributed for the fire-stricken Eldred DeMars family of Cooks at a community-wide benefit show staged here Saturday night in the high school gymnasium.

Heading the program were performances by the Bay de Noc Barbershop chorus under direction of Sam Ham, of Escanaba, and the Fourtissimos, Escanaba barbershop quartet; and basketball games between the ex-collegiate Sunrays of Marquette and the Manistique Merchants, and the Manistique CIO and Cooks.

Cooks won 43-36 over the CIO and the Merchants lost 28 to 67 to the Marquette eagles.

## Three In Hospital

The program was opened, following the preliminary basketball game, with presentation of the flag by the Manistique Drum and Bugle Corps, under direction of Louis Rogers, and singing of "The Star Spangled Banner" by Loren LeBrasseur.

Dr. James H. Fyvie of Manistique was master of ceremonies for the event, during which Manistique civic organizations presented checks for a trust fund established to build and furnish a home for the unfortunate family.

During February, the DeMars home burned, causing the death of two of their children and destroying all their possessions. The mother, who needs plastic surgery, and two of the children are still in Schoolcraft Memorial hospital, and the father was dismissed several days ago. Only one child, Terry, was uninjured.

## Is Televised

The Rev. L. A. Robart, of Methodist churches in Upper Michigan, spoke briefly at the opening of the program, noting that the benefit was a demonstration of the American way of life and showed that Manistique people were not selfish or greedy, but willing to share.

Other speakers included John Blomquist, member of the Manistique fire department who spoke briefly on safety and fire inspections; and Everett Anderson, Manistique VFW officer who introduced members of the Merchants and Sunrays lineup, and announced the basketball game.

Portions of the benefit show were televised by the Green Bay TV station.

## In Trust Fund

Numbers which the Barber-shoppers sang included "Keep America Singing," their opening number, and "Caissons," "On, Joe," and "I Love the Way You Roll Your Eyes." The Fourtissimos, composed of Fritz Provost, Lowell Sundstrom, Art Jensen and Kenneth Thompson of Escanaba, sang "Dixieland" and "Hello My Baby."

Spectators each contributed 50 cents at the door and later tossed coins into sheets carried across the gymnasium by members of Boy Scout Troop No. 400, the Drum and Bugle Corps.

Roy Anderson of the Manistique First National Bank and William Hentschell of the State Savings bank are receiving contributions for the "Have a Heart" fund for the DeMars family. Contributions to date, in addition to cash, have included roofing for the home from an Escanaba firm, and donation of labor by the Manistique American Legion and VFW posts. Other trustees for the fund are Edward Doyle of Manistique and Matt Walters of Cooks.

## City Briefs

Mr. and Mrs. N. M. Secore left Saturday for Bradenton, Fla., after attending the funeral here of their son, Norton.

Mr. and Mrs. Jacob Weber, 111 Walnut St., are vacationing in Del Monte, and Pomona, Calif.

da. Mrs. Seppi is confined in the hospital with a fractured hip.

Bill Kallio arrived from Sault Ste. Marie Saturday for a week's midwinter vacation at his home here from Soo Tech.

# St. Joseph And Escanaba Basketball Teams Capture District Championship

## Trojans Tip Stambaugh In 60 To 59 Thriller

STAMBAUGH — The St. Joseph Trojans climbed the first rung of the tournament ladder in their bid for a second straight Upper Peninsula Class C championship by edging the classy Stambaugh Hilltoppers 60-59 before a packed house here Saturday night.

Coach Tom St. Germain's eagles reached the high point of their 1953-54 campaign against a team that was good enough to tie Iron Mountain for the Menominee Range Conference championship. The Hilltoppers extended St. Joe the final minute of action before bowing.

In winning their fourth straight district championship, St. Joe proved it could come from behind when the chips were down. The Trojans were behind by six points at one stage of the game and trailed by three as late as the final period.

**Stirring Finish**  
The cool Trojans proved their superiority in a stirring stretch finish that brought the fans out of their seats in screaming frenzy. It was sophomore center John Berrigan who put the pressure of defeat on Stambaugh in the final three minutes of the game. Held scoreless up to that time, Berrigan pulled St. Joe up to a 54-54 tie and sent the Trojans ahead 55-54 at 2:48 by cashing in on two free throws.

Southpaw forward Dick Cass shot St. Joe into a 57-54 lead with a leaping tip-in and after Stambaugh's Jim Wickman had scored one of two gift tosses Berrigan again canned two shots from the foul line to make it 59-55 with 58 seconds remaining.

**Zimmerman Controls Ball**  
Eugene Mottles pulled Stambaugh up to a 59-57 score with a driving layup but fouled St. Joe's Jim Zimmerman with 36 seconds left in the game. Zimmerman missed his first shot but dropped in what proved to be the winning point on his second. George Young came back with a basket for the Hilltoppers to narrow the final margin to 60-59, but the Trojans stalled out the final 16 seconds without trouble.

Zimmerman protected St. Joe's 57-55 lead with a sensational exhibition of dribbling in which he controlled the ball for a full minute before Mottles fouled Berrigan with 53 seconds left in the game.

Cass turned in an excellent performance while scoring 19 points to pace the Trojans on the scoreboard. He shared high point honors with Stambaugh's Wickman. Reserve Trojans Zimmerman and Dick Bryson each hit for 10, next high in the St. Joe scoring column. Bryson helped St. Joe control rebounding along with Dave Hirm and Cass. Guards Jerry McDonough and Bill Maycunich collected six field goals between them to keep the pressure on Stambaugh.

**Lead Trades Hands**  
Cass found the range early and led St. Joe to a quick 9-3 lead in the first period but Stambaugh tied it up and pulled away, 17-11, late in the quarter. St. Joe quickly moved up and led through most of the second period, taking the halftime rest with a 26-26 margin. The Trojans lost the lead only once in the third period which ended in a 48-48 deadlock. Stambaugh had an early 48-48 margin in the final period but couldn't cope with effective control ball turned in by St. Joe late in the quarter.

St. Joe moves into regional tournament play at Negaunee this week with Houghton, Wakefield, and Rudyard, the three other district champions.

The district championship trophy was presented to St. Germain and Trojan co-captains McDonough and Hirm by tournament manager Willard Anderson after the game.

## Rapid River Chills Powers In Final Period To Win D Crown

### Rockets Defeat Tigers, 56-45

ROCK — The Rapid River Rockets threw a blanket over the Powers Tigers here in the fourth period Saturday night to come from behind and win the Class D district basketball championship, 56-45.

Although they trailed 18-9 at the end of the first period, the Tigers rallied with 18 points in the second and 15 in the third to lead 42-41 entering the final quarter.

That was the end of the line for Powers. Coach Keith Hindes' Rockets pulled away.

**ELECT CO-CAPTAINS**  
Waldon Johnson and Roger Brannstrom were elected co-captains of the Rapid River cage squad by their teammates last week. Both players are seniors with Johnson holding down the pivot slot and Brannstrom operating at a guard position.

cagers limited their opponents to a single field goal and one free throw in the final eight minutes of action while they peppered the hoop with 15 points to win going away.

**Rockets Pull Away**  
In the first minute of the final period Bob Olson hit a free throw for Rapid River to tie at 42-42. Jim Sargent scored the lone Powers field goal to tie it again at 44-44 but Waldon Johnson flipped in a two-pointer and the Rockets were off.

A field goal by Roger Brannstrom and free throws by Jim and Waldon Johnson and goals by Jim Johnson and Olson put the game on ice for Rapid River. John Hafeman's free throw in the final minute of the game had no bearing on the final result.

Although Powers had the height, the Rockets effectively controlled both boards and in the final period the rebound work of Waldon Johnson and Jim Johnson chilled any hopes of the Powers quint for a repeat district title. Powers last season defeated the Rockets for the championship.

Seventeen points by Waldon Johnson took scoring honors for the evening. The deadeye Rapid River center hit on six field goals and five throws. Bob Olson's 16 points counted heavily for the district champions.

**Free Throws Win**  
Leading scorer for Coach Irv Soderlund's Tigers was Hafeman, lanky pivotman, who tossed in 13. Jim Henderson hit 11 and Jim

## Gavilan Tunes Up For Olson

By MURRAY ROSE  
NEW YORK (AP)—Welterweight champion Kid Gavilan has his final tuneup tonight for his April 2 middleweight title fight with Bobo Olson.

The Cuban Flash faces veteran Livio Minelli again in a nontitle 10 in Boston. Gavvy outpointed the Italian in Cleveland 11 months ago.

Light heavyweight champion Archie Moore also shows his stuff this week. He goes after his 17th straight victory against bulky Bob Baker of Pittsburgh in a nontitle 10 at the Miami Beach Auditorium Tuesday night.

## Four Points Will Win For Detroit Red Wings

By THE ASSOCIATED PRESS  
The Detroit Red Wings need only pick up four points in their seven remaining games to clinch another National Hockey League championship.

The high-flying Motor City sextet picked up three points over the weekend, defeating Toronto Saturday and coming from behind to deadlock the Montreal Canadiens 2-2 Sunday night.

In other games Sunday night, the Boston Bruins defeated the Chicago Black Hawks 6-0 and Toronto downed the New York Rangers 4-0.

**SKINNY'S WINS**  
STEPHENSON—Skinny's Bar of Escanaba defeated the Stephenson Strollers here yesterday afternoon by a 74-58 margin in an independent basketball game.

Sargent 10. Earl St. John leaving at 3:30 and Sargent with nine seconds remaining in the game.

Rapid River made good use of the free throw line to earn the decision. Each team hit on 19 field goals but Rapid River scored 18 points on 28 free tosses.

Powers was able to score seven of 12.

The tall Powers quint committed 24 personal fouls against 10 for the Rockets to make the difference between the ball teams.

Tournament manager George Weingartner announced an official attendance of 1,491 for the championship night.

## Tournament Tickets Will Be Available

A limited supply of reserved seat tickets for the Upper Peninsula regional basketball tournaments will be available for each of the four Delta county schools involved.

Tickets for the Class B tournament game between Escanaba and Munising Friday night will be available at the Senior High office Wednesday. At St. Joe, fans may phone or call in person tonight at the rectory for tickets to the Friday night game between the Trojans and Houghton. The tickets must be picked up by Wednesday noon.

Rapid River and Perkins fans will find tickets available at their schools for the D and E regional openers Thursday night. The Rapid River tickets will be on sale at 7 tonight.

## In This Corner

With Roy Crandall

Congratulations are in order for the Escanaba and St. Joe basketball teams that earned district tournament championships Saturday night. . . . We doff our topper to the coaches and players of both teams for an excellent job. . . . Regional tournament play is on tap the tail end of this week and we wish the two squads continued success.

It's not often that two schools from the same community are able to win district honors in the same year. . . . The Trojans and the Eskymos did it at least once before, in the 1952 campaign.

Escanaba turned the tables on a team that had twice won games in the regular season. . . . Menominee found the Eskymos a little tougher than when the Maroons won, 65-53, and 65-59, earlier in the season. . . . It is a tribute to Coach Burt Gustafson's Eskymos that they were able to solve the tremendous height advantage enjoyed by Menominee. . . . And to even get into the finals, the Eskymos had to take Gladstone on the Braves' home court. . . . Many observers thought the much-improved Gladstone team would win their own tournament.

For St. Joe too the sledding was tough in the district. . . . With three straight previous titles to their credit, the Trojans were a marked team long before the districts began. . . . In Crystal Falls and Stambaugh, St. Joe defeated two teams that would rank high in anybody's Upper Peninsula Class C list. . . . For the fourth straight year the Trojans presented Coach Tom St. Germain with an excellent birthday present. . . . He shouldn't mind growing old at that rate.

The Corner also salutes the other two Delta county quintets that won district championships over the weekend. . . . Perkins upset the apocryphal by taking National Mine in the semifinals and Nahma in the title tilt. . . . National Mine was top-seeded and Nahma bottom-seeded in the Class E tourney at Rock. . . . The Rapid River Rockets, one of the Upper Peninsula's finest fives, came through as expected in Class D competition.

## Hawks Slap Pioneers With 8-3 NMH Defeat

The Escanaba Hawks tossed the dope sheet out the window yesterday afternoon and handed the Northern Michigan Hockey League champions from Portage Lake an 8-3 licking at the fairgrounds rink.

That goal by Tony was his only scoring effort of the day. His vaunted slap shot was stopped repeatedly before it got started and he was on the receiving end of some rough treatment by the high-flying Hawks.

**PLAY INDIANS TONIGHT**  
The Hawks will face the Gladstone Indians in an exhibition game at the fairgrounds rink tonight at 7:30. Gladstone has a 3-3 record this season with all the losses coming by a single point margin. The Indians will meet at the City Hall for transportation at 6:30.

the league's regular season championship, and poured it on in their best showing of the season.

Mark took the play away from the Bukovich brothers and burned up the ice with furious skating and eagle-eye shooting. He wound up the afternoon with five goals and one assist. Joe Ricci, Doug Peterson, Buddy Provo added goals for the Hawks.

The margin of victory would have been even more decisive if the Pioneers hadn't got a break on a goal that was scored by Tony Bukovich on an off-side pass that missed the eye of referee Dan Crowley who worked the game without a linesman. It was the

first goal for Portage Lake and spoiled any chances for a shutout by Hawk goalie Ben Artwich who did an outstanding job of stopping 33 Pioneer shots.

That goal by Tony was his only scoring effort of the day. His vaunted slap shot was stopped repeatedly before it got started and he was on the receiving end of some rough treatment by the high-flying Hawks.

NBA AT A GLANCE

Monday's Schedule

Baltimore at Milwaukee (2 games)

Philadelphia vs Fort Wayne at Miami, Fla.

Sunday's Results

Boston 86, Fort Wayne 80

Rochester 91, New York 88

Syracuse 103, Baltimore 77

Minneapolis 65, Milwaukee 63

Saturday's Results

Fort Wayne 76, Baltimore 71

Syracuse 88, Philadelphia 77

Rochester 74, Minneapolis 59

Tuesday's Schedule

New York vs Milwaukee at Indianapolis.

Minneapolis vs Rochester at Indianapolis.

Indiana Win 23-10

In a wild affair at Phoenix, Ariz., the Cleveland Indians walloped the Giants 23-10. The Tribe slammed six homers with outfielder Dave Pope getting two.

Billy Consolo, the \$65,000 bonus baby, paid off with a 400-foot triple to nail down a regular job. The 33-year-old outfielder, acquired from Cincinnati during the winter, drove out a three-run homer Sunday as the Chisox opened their exhibition schedule with an 8-3 victory over the Redlegs.

Marshall, who joined the New York Giants in 1942, always was considered a potential major league star, but he never quite reached the heights. Although he batted only .266 in 1953, the White Sox still thought enough of him to let pitcher Saul Rogovin and infielders Connie Ryan and Rocky Krsnich go to Cincinnati.

Power Belts Homer  
Outfielders also did most of the long-distance hitting in the other grapefruit league games.

At Yuma, Ariz., Dick Kokos walloped a two-run homer in the last half of the 10th inning to give the Baltimore Orioles an 8-6 win over the Chicago Cubs. Marlin Stuart, who hurled the last frame, was credited with the victory.

Rookie Vic Power and the veteran Gus Zernial contributed home runs in a six-run third inning by the Philadelphia Athletics as Eddie Joost's men downed the Washington Senators 7-3. Bill Renna, a former New York Yankee, and Pete Suder also got hits in the uprising.

Freshman infielder George Freese got three hits as the Pittsburgh Pirates broke loose for five first-inning runs and went on to defeat the Detroit Tigers 7-3. Right-hander Ron Neccial was the winning pitcher.

# Perkins Halts Nahma In Last Three Minutes To Win Class E Crown

ROCK — Perkins put an effective damper on the Nahma Arrows in the final three minutes of the championship Class E district tournament game here Saturday night and upset the defending U. P. titlists, 48-41.

So completely did Perkins dominate the final minutes of the game that Nahma was unable to score in the final 3:05 of the fourth quarter. Nahma held a slim 41-40 lead when the rock fell in.

Coach Tom Gerovac's Perkins cagers moved ahead 42-41 on a field goal by center Doug Hackenbruch and kept right on going. Nahma didn't get as much as a free throw attempt in the last three minutes as Perkins controlled the ball effectively.

## Perkins Comes Back

Coach Harold Anderson's Arrows broke fast and led 12-7 at the end of the first period. But Perkins came back strong in the second and led 21-18 at halftime.

In the third period Nahma cut the deficit to 33-31 and stayed in the running until late in the quarter. Bernard Newhouse, leading Nahma scorer with 14 points, fouled out of the game in the final minutes.

Hackenbruch took scoring honors for the night with 21 points on seven goals and seven free throws. Perkins continued to show mastery of the free throw line by converting 14 of 26 gift shots while Nahma hit on nine of 20. Perkins outscored the Arrows 17 goals to 16 from the floor.

## Newhouse Fouls Out

The six-two Hackenbruch led

# Class A Prep Teams Join State Tourney Trail This Weekend

By JOE FALLS

Associated Press Sports Writer  
The state's Class A giants, led by Highland Park and Lansing Sexton, join the field this week as the 29th High School Basketball Tournament rolls into the regional playoffs.

A total of 444 teams were sidelined in last week's district eliminations, leaving 188 to shoot for titles in the five classes: A, B, C, D and E.

There will be at least four new champions. Only Dearborn Fordson, defending Class A titleholder, is left among the former champions—and it wouldn't surprise anyone if the Tractors are ousted this week.

## Champs Defeated

Three other champions went down in the district playoffs—St. Joseph (Class B), Saginaw St. Mary (Class C) and Nahma (Class E). There was no defending champion in Class D since Muskegon St. Joseph no longer is in existence.

Highland Park and Lansing Sexton, both unbeaten, are listed as co-favorites for the title.

Lansing Sexton compiled a perfect 16-0 record during the season. The Big Red won the Six-A championship and will begin tournament play Tuesday, meeting a sub-par Bay City Handy team.

Likewise, Highland Park will go

into action Tuesday, playing Ferndale, winner of the Eastern Michigan League.

Eliminations will take place at 21 regional centers and when the finals are completed Saturday, there will be 32 teams left in Classes A, B, C and D. The Class E title game, strictly for Upper Peninsula teams, will be decided Saturday afternoon.

## Unbeaten In Class C

Two other teams are carrying perfect records into the regionals. They are East Jackson (18-0) and Grayling (19-0), both in Class C.

The drawings for Class A have been completed. Most of the lower class brackets will be drawn Monday afternoon.

The district eliminations came to an end Saturday night, with East Jackson and Grayling stretching their winning streaks. But Flint Tech, the lone unbeaten in Class B, and Nahma, the former Class E champion, were eliminated.

Grayling whipped Gaylord, 62-45, and East Jackson defeated Jackson St. John, 58-50.

Flint Tech, meanwhile, came to the end of a 16-game streak when it lost to Davison, 53-45. Nahma was ousted by Perkins, 48-41.

Participating in the regionals are 55 teams from Class A, 40 from Class B, 49 from Class C, 40 from Class D and three from Class E.

# All-Big Ten Quint Is Tall And Hefty

By JERRY LISKA

CHICAGO (P)—Height, heft and shooting skill prevails on the 1954 all-Big Ten basketball team selected today for The Associated Press by conference coaches.

Indiana's newly-crowned champion Hoosiers grabbed two berths, Illinois, Ohio State and Minnesota one apiece.

The two Hoosiers, 210-pound, 6-foot, 10-inch Don Schlundt and 6-3, 185-pound Bob Leonard, repeated from last season's honor team. Strangely, however, all-America Schlundt was not a unanimous choice.

Schlundt missed three first team votes, while Leonard was No. 1 choice of all 10 coaches, the only player so honored.

## FIGHTS LAST NIGHT

By The Associated Press  
Dayton, Ohio — Joey Klein, 149, New York, stopped Rocky Casillo, 149, Blue Island, Ill. (4).  
Hollywood — Juan Luis Campos, 130, Hollywood, dethroned Fabela Chavez, 131, Hollywood (10).

# Training Camp Briefs

(By The Associated Press)  
Miami, Fla. (P)—Off their first two exhibition showings, one would hardly think the Brooklyn Dodgers are the champions of the National League.

They made exactly two scratch hits in their 9-2 defeat at the hands of the Milwaukee Braves Sunday. But there is an explanation. The Dodgers simply are not ready yet. They opened camp several days later than most other clubs and have been plagued by bad weather.

St. Petersburg, Fla. (P)—Manager Casey Stengel of the New York Yankees got his first look Sunday at Vic Raschi since the

big hurler was sent to the St. Louis Cardinals and guess what he said:  
"How did you get rid of the belly?"

Raschi pitched batting practice and greeted his old mates with the crack:  
"Sorry, boys, if I don't appear too chummy. Stanky (Card manager Eddie Stanky) hates fraternizing."

Clearwater, Fla. (P)—Joe Presko and Rookies Memo Luna and Cot Deal will shoulder the pitching burden as the St. Louis Cardinals moved into an exhibition game with the Philadelphia Phillies here today.

Ohio State, winning nine of 14 events, churned to a record third straight swimming title at Ann Arbor, Mich., with a new high of 125 points. Ford Konno, the little Hawaiian Star, paced the Buckeyes with three individual wins.

Purdue won the wrestling championship, dethroning Michigan. The Boilermakers had three individual winners and scored 26 points to the runnerup Wolverines' 22. Al Vega, at 123 pounds, Bud Weick, at 147, and Ahmet Senol, at 177, were the Boilermaker winners. The meet was held at East Lansing, Mich.

Illinois also won its fifth straight fencing title, at Iowa City, with a 40-point total to second - place Wisconsin's 31. Herman Velasco

## Assets Of Muntz TV Firm Seized

DETROIT — The Michigan Revenue Department Friday seized the Michigan property and assets of Muntz TV Inc. for back taxes reportedly amounting to \$30,000.

Agents padlocked five Muntz retail stores in the Detroit area and appointed a custodian for the company's main warehouse.

An investigation of company records showed that Muntz owes the state \$23,719 in sales taxes for December and last January.

Henry C. Schroeder, deputy commissioner, said the Revenue Department action followed the reading of newspaper accounts of the trouble Muntz was having in Chicago.

He said a public notice of sale will be posted on the company March 19 unless the back taxes are paid.

Schroeder estimated there was approximately \$500,000 in merchandise in the warehouse and retail stores. He said Muntz also has stores in Pontiac, Flint, and Lansing. He said the Lansing branch office was closed voluntarily last week.

## Banker Admits \$146,000 Theft

PHILADELPHIA — The vice-president of a suburban bank is charged with embezzling \$146,000, and the FBI says the thefts date back almost 35 years.

J. Harold Wolf, 57, was arrested Friday night on a warrant charging he had "purloined and abstracted funds" of the Telford National Bank "and made false entries in the bank's records in the amount of \$146,000."

Ray J. Abbaticchio Jr., special agent in charge of the FBI office here, said Wolf—arrested at his home in Telford, a borough of 2,500 residents admitted in a signed statement he had taken the money, in amounts varying from \$100 to \$2,000, almost from the time he started work at the bank, in 1919, as a clerk. Wolf today is vice president and cashier.

Abbaticchio said Wolf said he took the money "for general daily living expenses."

The bank is protected by federal insurance.

## Umbrella Proves Interesting To Tot

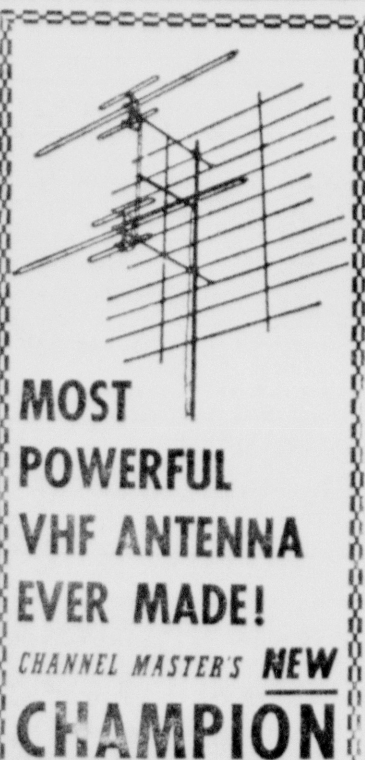

TUCSON, Ariz. (AP)—Kathryn Suedkamp has spent all four years of her life in this desert region where rain is a rarity. When a cousin from Cincinnati dropped in to visit on a cloudy day she was carrying an umbrella. "What's that thing?" asked Kathryn. She demanded and got an explanation and a demonstration.

She pondered a while and asked, "Would you show me how that machine works again?"

## Was A Million To One Coincidence

MONROVIA, Calif. (AP)—F. C. Hanchette, a letter carrier, stepped up to the state motor vehicle office in nearby Pasadena to buy his new automobile license tabs. His new tab number—0061890.

He removed the old tab from his license plate to put on the new one. The old number—0061890. Said the stunned motor vehicle bureau officer, "It was a billion to one coincidence."

## GROWING SPIRITUALLY

By  
E. STANLEY JONES

Ps. 111, 3 (R.S.V.)

### A SECRET BUT AN OPEN SECRET

We saw yesterday that where there is a need in this world of ours, there is a supply to that need, also at hand, awaiting the discovery of it. But the remedy is never too obvious. It is tucked away, a secret—it has to be searched for—but it is "open"—open to all.

When it comes to the Remedy for the need, then we would expect that this Remedy would be not so clear that it would require no thinking about it, so available that no condition would be required for its finding, or so close at hand that you wouldn't have to search for it. You would expect Christ would be hidden, and yet open.

He was hidden—hidden away in an obscure land, in an obscure family; He worked at an obscure occupation — carpentry, quietly dropped His message onto the hearts of obscure people — mostly fishermen and ordinary folks. And then "God wrapped His heart in flesh and blood and let it break upon a cross," that in that breaking the heart of His resources might be revealed.

This hiddenness has been "unto the Jews a stumbling block, and unto the Greeks foolishness"—religion and philosophy passed it by. But the simple of heart have found that here lies near at hand the resources—everything they need to grow and to become the persons they ought and long to be.

Jesus is God available and approachable. And in Him is uncovered the pattern of the man-to-be. "What we are to be is not apparent yet, but we do know that when he appears we are to be like him—for we are to see him as he is." (1 John 3:2, Moffatt.) This is the breath-taking destiny we are headed for—to be remade into the image of Christ, the Divine. This puts back our shoulders. We are headed for big things—the biggest thing this planet knows; we are headed to be Christlike personalities. This cancels all inferiorities based on blood, all sense of failure based on past mistakes and sins, and all sense of unworthiness based on what we are. It sets our faces away from the past, toward this amazing future.

In order to be released from the is we must see the to-be. We see it—in Christ. He is the Possibility and the Way to that Possibility.

Gracious Father, my heart begins to sing in anticipation. There is a dignity stealing into my blood. I thank Thee, Amen.

**AFFIRMATION FOR THE DAY:** I am made for the biggest thing that this planet knows. I shall not fall short.

## Income Tax Helper Skips His Own Return

DETROIT — Joseph Kaminski, who helped nearly 1,000 clients to fill out their income tax forms in the past three years, was in federal court Saturday. The charge—failure to file an income tax return.

The Internal Revenue Department said Kaminski, an insurance agency salesman, made no personal returns in 1951 and 1952. It estimated his total earnings for the two years at \$53,000.

Kaminski was released under personal bond pending trial.

## Tests Prove Foam Cleans Carpets Brighter

Naturally you want your carpeting and upholstery to look bright after you have worked to clean it. Make this test; clean the carpeting in one room with famous Fina Foam and another room with any other type of rug cleaner. Let the results of this test be your guide. Nothing cleans carpets like foam and no foam like Fina Foam. Available at The Fair Store, Escanaba. (Adv.)

## Farm Program Given Sendoff

WASHINGTON (AP) — Chairman Aiken (R-Vt.) of the Senate Agriculture Committee, said Congress will have to adopt the Eisenhower farm program as a whole or lose the value of it.

Aiken, a strong supporter of the program, hit out in an interview at any major modification of the program based on criticism of some features of it by individual members of Congress. He said: "Success of this program depends upon adopting all of it."

"Nearly everybody can find some parts or parts of it he likes." For two days this week Aiken has been acting as sort of a referee for Agriculture Department officials and critical senators in a running dispute about new and old farm programs.

Main controversies center around proposals to shift government price supports to a flexible and lower level and to "set aside" 2½ billion dollars worth of farm surpluses, or about half those now in government hands.

The set aside would be a guarantee by the government that the goods would never be moved in ordinary trade channels. Accordingly, they would not be counted as part of surpluses when the proposed new flexible supports, based on amount of various farm products available, were computed. This procedure presumably would make a transition to a flexible system less abrupt.

**BIBLE MARATHON REPORTED**  
ARCADIA, Ind. (AP)—Mrs. Golden Fippen of Arcadia says she has read the Bible from cover to cover 26 times since 1947.

## Annual Sessions Are Mistake, Solons Say

By JACK I. GREEN

LANSING — Some of the more thoughtful legislators now are saying privately: "These annual sessions are a mistake."

They are admitting the Legislature oversold the public when it submitted a constitutional amendment providing for annual meetings of the lawmakers.

The people approved the idea, mainly on the theory that it was impossible for the legislature to write a budget two years in advance in these times of economic uncertainty.

**Waste Of Money**  
That reason still is a valid one.

The critical legislators probably don't mean to return to the biennial sessions.

But they are admitting the even-year sessions are largely a waste of time and of much money. The budget-making could be handled a lot easier and quicker if it wasn't cluttered up with junk bills.

The impression is pretty general in the capitol that the 1954 legislature is setting some sort of a record for petting, unimportant bills, for much-ado-about-nothing.

every member and asking him if he wanted to introduce all the same bills he filed in 1953. This was just an invitation to open the closets and drag out every old cat-and-dog bill on the list.

In the midst of all this uproar over mostly nothing, the House and Senate appropriations committee have had a minimum of time to devote to next year's budget.

Some legislators are asking whether it would not be worthwhile to limit the regular-year sessions in some way, or limit the type

or number of bills to be considered.

One suggestion is that the Legislature meet early in January, organize, then go home for a month or so while the appropriations committees devote full time to the budget.

Another idea is to forbid any bill to be printed until it comes out of committee.

Another idea advanced is to set up some kind of a super rules committee, as they have in some states, to decide which bills shall be even considered.
